**NOTICE**  
**Celebrating World Intellectual Property Day**

**Senior College Teachers**

World Intellectual Property Day is observed annually on 26<sup>th</sup> April. The event was established by the World Intellectual Property Organization (WIPO) in 2000 to "raise awareness of how patents, copyright, trademarks and designs impact on daily life" and "to celebrate creativity, and the contribution made by creators and innovators to the development of societies across the globe".

To celebrate World Intellectual Day Internal Quality Assurance Cell in collaboration with Department of Chemistry, Sonopant Dandekar College has organized a online webinar on Intellectual Property Rights on 26<sup>th</sup> April, 2022 at 8.30 a.m.

Mr. Govind Sharma, Registered Patent Agent, Government of India is main speaker and Dr. Kiran Save, Principal of the college will preside over the function. You are hereby requested to register through following google link and join the Zoom meeting through link/ Login ID & Password given.

Registered participant will be given participation certificate.

## **8. Report of the Programme**

Our college hosted a webinar in honour of International Intellectual Property Day on April 26, 2022. The purpose of the webinar was to increase public understanding of the value of intellectual property and how it affects creativity and innovation. This year's World IP Day focused on the importance of intellectual property in building a sustainable future under the theme "Innovate for a Green Future."

- Create awareness about different types of intellectual property rights and their significance.
- Educate participants on the process of obtaining IPR protection
- Discuss the importance of protecting intellectual property rights in various sectors.
- Address common misconceptions about IPRs

The webinar was attended by 367 students from college & faculty members from various colleges.

The speaker started the session by defining intellectual property and its various forms, including patents, trademarks, copyrights, and trade secrets. He then explained the significance of intellectual property in protecting the rights of creators, innovators, and inventors, and promoting innovation and creativity.

In conclusion, the webinar on World IP Day organized by our college was a great success, and it helped raise awareness about the importance of intellectual property in promoting innovation, creativity, and a sustainable future. It provided attendees with valuable insights into the challenges and opportunities in the field of intellectual property, and it highlighted the need for balanced intellectual property laws that promote both innovation and public interest.
