Nature & Scope

**Academic & Administrative
Committees**

About the committees...

College Development Committee

The College Development Committee is formed as per Section 97 of the Maharashtra Public Universities Act, 2016. The primary mission is to provide an overall comprehensive development plan of the college regarding academic, administrative and infrastructural growth, and enable college to foster excellence in curricular, co-curricular and extra-curricular activities and activities incident thereto.

Internal Quality Assurance Cell

The IQAC is in the role of monitoring and upholding the college's quality standards in both academic and administrative activities. Following educational quality, it carries out evaluations, puts changes into practice, and cultivates a culture of continual enhancement.

Fund Raising committee

The Fund-Raising Committee arranges events, campaigns, and outreach initiatives to obtain donations under CSR and sponsorships to raise money for the college. The committee is made up of administrators, staff members, alumni, and advisors who make sure that money is allocated for designated activity.

Construction and Development Committee

The college's infrastructure projects are planned, carried out, and maintained under the direction of the Construction and Development Committee. The committee is made up of academics, staff members, and technical specialists, makes sure that newly constructed structures and renovations satisfy the requirements of the Governing bodies and its future growth. Their efforts aid in the development of a cutting-edge, secure, and comfortable learning environment.

Constitution Committee

The governing papers and policies of the college are created, reviewed, and updated by the Constitution Committee. The committee, which consists of academics, staff members, and legal specialists, makes sure that the institution's rules and policies are lucid, thorough, and compliant with both the law and contemporary educational standards. Through their labor, the college's efficient administration and seamless operation are guaranteed.

College Premises monitoring committee

Ensuring the safety, security, and appropriate upkeep of the college's facilities falls within the purview of the College Premises Monitoring Committee. The committee is made up of academics, employees, and security guards, inspects the property on a regular basis, handles any safety issues, and makes sure that rules are being followed. Their work contributes to the safe, well-kept atmosphere that is favorable to education and campus life.

College Campus Beautification committee

Improving the attractiveness of the college grounds is the primary goal of the College Campus Beautification Committee." Educators, staff members, and students work collaboratively that organizes and carries out garden upkeep, ornamental installations, and landscaping projects. Through their work, the college community is able to enjoy a welcoming and attractive campus setting that boosts morale and general well-being.

Internal Audit Committee

The Internal Audit Committee's duties include assessing the college's financial procedures and making sure that internal guidelines and legal standards are followed. The group is made up of academics, staff members, and financial specialists, performs routine audits, finds areas for development, and suggests remedial measures. Through their efforts, the institution's resources are used effectively, accountability is maintained, and openness is ensured.

Executive Committee

The Executive Committee, which consists of top administrators, academics, and occasionally outside stakeholders, is a crucial decision-making body in the institution. It is in charge of institutional governance, strategic planning, and important policy choices. The committee is essential in guiding the college's course and making sure that its operations are in line with its objectives.

Attendance Committee

The Attendance Committee oversees and enforces attendance policies at the college, involving faculty, staff, and student representatives to ensure compliance, address absenteeism, and enhance student engagement. Their work maintains academic discipline and supports student success through effective attendance monitoring and interventions as necessary.

Feedback on Curriculum, Teaching, Support Services Committee

The college's academic programs, instructional strategies, and support services are subject to assessment by the Feedback Committee. In order to increase curricular relevance, teaching effectiveness, and student services—all while meeting the changing demands of stakeholders and improving the entire educational experience—they assess input in collaboration with teachers, students, and staff.

Admission Committee

In addition to professors and administrative personnel, the Admission Committee occasionally includes student representatives in its management of the college's admissions procedure. In order to guarantee equity and openness, they supervise the evaluation of applications, selection standards, and enrollment processes. Attracting excellent

candidates, upholding academic standards, and easing the transfer of new students into the college community are the objectives of the committee.

Remedial Teaching & Bridge Course Committee

The Remedial Teaching & Bridge Course Committee offers programs and courses created by educators, counselors, and faculty members to assist students who require more academic support. Strengthening fundamental abilities and guaranteeing that every student has an equal chance at academic achievement and a smooth transition to higher education are their two main objectives.

College Examination Committee

The College Examination Committee manages the entire exam process, ensuring smooth conduct, schedule, and assessment integrity. Composed of faculty, administrative staff, and coordinators, they set policies, organize logistics, and resolve exam-related issues to maintain academic standards and fairness in evaluation.

Unfair means Inquiry Committee

The committee is set up to inquire about the alleged unfair means and practices by the students during any examinations (Internal/External/ Practical) by following the procedures and guidelines issued by University of Mumbai under Ordinance 5050.

University Examination Committee

The University Examination Committee makes that they are administered smoothly, on schedule, and with integrity. They maintain academic standards and equity across departments and programs by handling administration, resolving exam-related concerns, and establishing regulations. They are made up of teachers, staff, and coordinators with Senior member as its Member Secretary.

University OSM Committee

The University OSM Committee—which is made up of academics, staff members, and safety experts—ensures that safety regulations are followed throughout the university. Through their efforts, a safe and effective learning and working environment is fostered, supporting the well-being of all university members.

Result Analysis Committee

IQAC and Examination Committee in coherence with head of departments take up the Result Analysis Committee, which assesses patterns in academic achievement in order to improve instruction and student services. Their observations have great significance in enhancing the efficacy of instruction and promoting ongoing enhancements in every academic field inside the college.

Marathi Literary Association

The college's Marathi Literary Association uses literary contests, festivals, and cultural programs to advance Marathi language and literature. The organization promotes a better knowledge and respect of Marathi language and culture among college students, instructors, and enthusiasts.

English Literary Association

The English Literary Association at the college promotes English language and literature through various activities, events, and competitions. It aims to cultivate a love for English literature among students, faculty, and enthusiasts while enhancing language skills and cultural appreciation.

Hindi Literary Association

The college's Hindi Literary Association honors and advances Hindi language and literature. Its objectives are to promote language competency and cross-cultural interchange while

deepening the understanding of Hindi literature and culture among students, teachers, and enthusiasts.

Research Advisory Committee

The Research Advisory Committee is made up of academic administrators, researchers, and faculty members that monitor and direct research activities. They facilitate proposals, assess projects, and offer funding prospects advice. Academic achievement is enhanced across numerous sectors within the institution by their crucial role in encouraging strong research standards and fostering interdisciplinary cooperation.

Major & Minor Research

In academia, major research projects involve extensive studies with substantial budgets and time commitments, making significant contributions to knowledge within a field. Minor research projects are smaller in scale, focusing on specific aspects or preliminary investigations, serving as foundational studies or explorations in a particular area of interest.

Avishkar Committee

The Avishkar Committee plans academic and student funding opportunities, seminars, and research contests. They support academic achievement and innovation at the institution through research programs, and they are made up of administrators, faculty, and researchers.

Science Association

The Science Association encourages college students to learn about and pursue science. It plans talks, seminars, and practical exercises to get teachers and students interested in scientific subjects and developments. Their initiatives are meant to foster in college students a more profound comprehension and enthusiasm for science.

Nature Club

The Nature Club is a student club that promotes environmental awareness and engages in outdoor and conservation-related activities. It frequently include undertakings like planting trees, organizing clean-up drives, going on nature walks, conserving animals, and holding environmental education seminars. In addition to working on sustainability initiatives, several nature clubs promote eco-friendly behavior on campus and in the community.

National Cadet Corps Committee: Unity and Discipline

The NCC Committee oversees the activities and administration of the National Cadet Corps (NCC) within the college, ensuring students engage in disciplined training and development programs. It coordinates various events, drills, and camps, fostering leadership, teamwork, and national service among the cadets.

National Service Scheme Committee: Not Me But You

The National Service Scheme (NSS) Committee oversees the college's NSS activities and encourages students to be socially conscious and engage in community service. It arranges a range of community involvement initiatives, volunteer opportunities, and outreach programs to promote civic responsibility and civic participation.

Department of Lifelong Extension Committee

The DLLE offers flexible continuing education opportunities for the people. It is functioning under the Board of Lifelong Learning and Extension to create skilled and learned human power through its various degree level programmes and skill development programmes. The DLLE with diverse academic and technical resources supports the communities based extension work activities in collaboration with its specific mandate to work for the less privileged sections of the society and our efforts are to extend educational programs that will enhance and improve the quality of life of such groups with the central objective of **“REACH TO UNREACHED”**.

Social Science Committee

The Social Science Committee promotes interdisciplinary study and research by supervising activities associated with social science fields. It hosts lectures, seminars, and workshops to improve students' comprehension of social issues and promote critical thinking.

Commerce Association/Management Association

The Commerce Association/Management Association assists students pursuing careers in commerce and management. In order to improve students' industry knowledge and professional preparedness, it arranges guest lectures, workshops, and networking activities.

Science Association

The Science Association encourages students' interest in and proficiency in scientific subjects via a range of extracurricular and instructional initiatives. It fosters creativity, investigation, and cooperation in the sciences by planning conferences, workshops, scientific fairs, and contests.

MoU Committee

Memorandums of Understanding (MoUs) between the college and outside institutions are developed and implemented under the direction of the MoU Committee. Collaborations are facilitated, guaranteeing that partnerships improve faculty and student access to academic and research possibilities.

Library Committee

The Library Committee is in charge of developing and managing the library's resources and services. It guarantees that a vast array of educational resources are available, plans library activities, and obtains input to improve the library's efficiency in meeting the demands of scholars and researchers.

Computer Committee

The college's technological infrastructure and computer resource management are under the direction of the Computer Committee. It makes sure computer laboratories are kept up to date, plans training sessions and workshops on cutting edge technology, and makes it easier for teachers and students to access digital resources.

Lab. & Equipment Maintenance Committee

The maintenance and appropriate operation of the college's laboratory facilities and equipment are within the purview of the Lab & Equipment Maintenance Committee. To support efficient teaching, learning, and research activities, it supervises maintenance schedules, arranges repairs and upgrades, and guarantees adherence to safety requirements.

Website Designing & Maintenance Committee

The college website is developed, updated, and maintained under the direction of the Website Designing & Maintenance Committee, which also makes sure the site is current with events and accomplishments and easy to use. It also fixes bugs, adds new functionality, and upholds accessibility and security guidelines.

Botanical & Medicinal Garden Committee

The Botanical & Medicinal Garden Committee is in responsible of the college's garden creation, upkeep, and instructional programs. It ensures that the garden will benefit from practical research in the disciplines of botany and medicine as well as scholarly learning.

Gymkhana Committee

The college's recreational, cultural, and sporting events are overseen by the Gymkhana Committee. It plans activities, manages resources, and encourages students to participate in extracurricular activities.

Debate & Elocution Committee

The Debate & Elocution Committee oversees activities related to public speaking, debating, and elocution within the college. It organizes competitions, workshops, and training sessions to enhance students' communication skills and foster critical thinking and articulation abilities.

Special Cell & Scholarship Committee

The Special Cell & Scholarship Committee administers special initiatives and scholarships within the college. It manages applications, evaluates eligibility, and disburses funds to deserving students, ensuring equitable access to educational opportunities.

Centre for Excellence and Innovation

The Center for Excellence and Innovation supports scholarship and innovation. It provides funding for creative projects, research projects, and educational programs which expand the boundaries of knowledge in a variety of sectors and improve learning results.

Cultural Association & Youth Festival Committee

The Cultural Association & Youth Festival Committee oversees cultural activities and the organization of youth festivals within the college. It coordinates performances, exhibitions, and competitions that celebrate diverse cultural expressions and promote artistic talents among students.

Women Development Cell

The Women Development Cell promotes for female staff and student empowerment and gender equality within the college. It creates an inclusive and encouraging campus climate by planning workshops, seminars, and awareness campaigns centered on women's rights, concerns, and professional advancement.

Drushti Movie Club

The Drushti Movie Club organizes movie screenings, debates, and related events. Through carefully chosen film screenings, it seeks to encourage students' critical thinking, cultural sensitivity, and appreciation of film.

Canteen Committee

The Canteen Committee oversees the management and operations of the college canteen. It ensures the provision of quality food, hygiene standards, and a conducive environment for students and staff to dine comfortably.

Career Guidance Cell

The Career Guidance Cell offers workshops and counseling to students in order to help them make well-informed career selections, improve their employability, and be ready for careers after graduation. Its main objective is to support students in their professional growth and career exploration by offering them tools and advice.

Competitive Examination Cell

The Competitive Examination Cell offers courses, tools, and advice to help students get ready for competitive tests. Its goal is to make pupils more competitive and prepared for a range of competitive and admission exams.

Placement and Training Cell

The Placement and Training Cell helps students find training programs and careers. It arranges industry engagements, skill-development seminars, and campus recruiting campaigns to improve students' employability and preparedness for professional positions.

Constitution Awareness Examination Committee

The Constitution Awareness Examination Committee oversees programs aimed at increasing students' knowledge and comprehension of the constitution. It prepares tests, seminars, and instructional courses centered around civic duty and constitutional ideals.

Discipline Committee

The Discipline Committee makes sure that students follow the policies and procedures of the college. It deals with disciplinary matters, encourages a polite and organized campus community, and develops responsible conduct through guidance and, if required, corrective action.

Anti Ragging Committee

The Anti-Ragging Committee makes sure that the college is a courteous and safe place to be. In order to keep campus harassment-free, it runs awareness campaigns, upholds stringent rules, and assists victims.

Grievance, Redressed Cell (Staff & Students)

The Grievance Redressal Cell resolves grievances from faculty, staff, and students, promoting an open and encouraging learning environment. In order to preserve peace and justice for all community members, it guarantees that resolutions are carried out successfully.

Internal Complaint Committee

Complaints about discrimination or harassment at the institution are handled by the Internal Complaint Committee. It does investigations, offers assistance to complainants, and makes sure that everyone in the campus community is treated with respect and safety.

RTI

The term RTI (Right to Information) describes the legal right that employees and students have to view information that is kept by public entities, including colleges and other educational institutions. It facilitates accountability and openness in governance by enabling people to ask for and receive information on a range of topics pertaining to the management, programs, and policies of the college.

Handicapped Cell

The Handicapped Cell delivers assistance to employees and students with problems. It guarantees accessibility, offers the required modifications, and fosters inclusion by means of awareness campaigns and needs-specific support services.

OBC Cell

The college's Other Backward Classes (OBC) faculty and students are supported by the OBC Cell. Through advocacy and pertinent efforts, it provides equitable opportunity, aids their wellbeing, and resolves unique problems.

NEP Implementation Cell

The college's implementation and acceptance of the National Education Policy's modifications are supervised by the NEP (National Education Policy) Implementation Cell. In order to better correspond with the policy's objectives of improving educational quality and accessibility, it organizes activities, tracks advancement, and eases the transition.

Staff Room Committee

The college's staff room committee is responsible for overseeing the activities and services there. It arranges resources, guarantees a comfortable atmosphere for instructors, and attends to any particular requirements or issues pertaining to the staff room.

Annual Magazine Committee

The Annual Magazine Committee oversees the publication of the college's annual magazine. It coordinates contributions from students and staff, manages the editorial process, and ensures the magazine reflects the achievements and activities of the academic year.

Ankur-Green Club

The college's Ankur-Green Club supports sustainability programs and environmental awareness. It plans recycling campaigns, tree planting events, and educational programs to promote environmentally responsible behavior among employees and students.

ACADEMICS COMMITTEES

Sr. No.	Name of Members	Post
1.	Dr. Kiran Jaydeo Save	Principal
2.	Prof. Mahesh Madhav Deshmukh	Vice Principal
3.	Prof. (Dr.) Tanaji Jagannath Pol	Vice Principal

Trustee, Sonopant Dandekar shikshan Mandali

Sr. No.	Name of Members	Post
1.	Hon. Shri. Raghunath Madhav Patil,	Trustee
2.	Hon. Shri. Sohanlal Hamirmal Bafna	Trustee
3.	Hon. Shri. Laxmikant C. Bajpai	Trustee
4.	Hon. Shri. Jagannath Pilaji Raut	Trustee

Office Bearer, Sonopant Dandekar shikshan Mandali

Sr. No.	Name of Members	Post
