1. INTRODUCTION

BACKGROUND

The Sonopant Dandekar Shikshan Mandali brought into existence in August 1968 to commemorate the late Principal Sonopant Dandekar. The Late Principal Sonopant Dandekar was a saintly personality and a renowned scholar highly revered throughout Maharashtra. We feel confident that his holy spirit will be a never failing source of inspiration to his countless admirers and also to the lovers of education in Palghar District and they will extend their hands of help and co-operation to the Mandali to enable it to build up a befitting memorial in honour of the saintly scholar Principal Dandekar. viz. the Institute of Higher Education.

The college campus extends over nearly 21 acres. The college functions in its own building which is situated on Kharekuran Road at a distance of about 2 km. from Palghar Railway Station (W. Rly.)

GOALS OF THE INSTITUTION

Sonopant Dandekar Shikshan Mandali the parent institution under article No. 3 of its constitution states that the aim of this institution is to provide pre-primary, primary, secondary, higher secondary, university, technical, scientific, medical, agricultural, vocational education and thereby help the urban and rural society for its educational and integral development. This college being an institution of higher education aims at to cater this need of higher education of the young generation of this area. The college mainly runs the courses of Arts, Commerce and Science streams upto graduation and Marathi, Philosophy and Rural Development upto post-graduation.

Besides regular academic schedule as prescribed by the University of Mumbai, the college puts emphasis on development of students' personality, their critical ability and work-ethics so as to enable the students to fit up themselves into the fast changing socio-economic environment in the competitive world. The college, also provides the facility of computer education, various short terms courses, courses of Open University and thus works for the development of this socio-economically backward area of Thane district.

PADMASHRI BHAUSAHEB VARTAK RURAL DEVELOPMENT CENTRE

This college takes pride in being amongst the few that have started Rural Development as a major subject in Three Year Degree courses. In addition to the papers in theory as prescribed by the University, the college has already begun practical work for the benefit of students and the local people.

To assist this programme we have also started a Rural Development Centre and we happily and gratefully mention the liberal grant received for this centre, from People Action for Development, UGC & Mumbai Gandhi Smarak Nidhi especially for setting the R.D. Lab / Workshop.

Besides the academic aspect, the Padmashri Bhausaheb Vartak Rural Development Centre is engaged in carrying out developmental programmes of the Institution and N.S.S. The centre, at present, carries out Integrated Rural Development Scheme in collaboration with the Mumbai Gandhi Smarak Nidhi where every year, Chikku & Mango grafts are supplied to 50 marginal and adivasi farmers. Plantation & up-keeping of grafts are done by the volunteers and thereby

Centre hopes to bring up the adivasi farmers above poverty line by changing their economic conditions.

MINAL MEHTA POST-GRADUATE CENTRE

The Mandali is able to expand scope of its academic activities by starting the Post-Graduate Courses from the academic year 1996-97 when the Govt. of Maharashtra and the University of Mumbai were pleased to permit the college to start the teaching of the courses. Teaching in M.A. in the subjects of Marathi and Philosophy has already been started. This will cater the need of the area comprising Palghar, Dahanu, Jawhar, Mokhada, Talasari and Wada Tahasils. Our college can be said to be the only one having an honour to start post graduate courses in economically and socially backward rural area of the Palghar District.
