## STUDENTS SATISFACTION SURVEY

2022-23
2.7 - Student Satisfaction Survey

## Introduction:

The College adhere to creating a dynamic and adaptable learning environment, which is why we recently carried out a thorough survey of student satisfaction. We believe that this survey can assist us better understand our students' needs, experiences, and areas for development by providing us with important direct information from them. Utilizing the ease of use and accessibility of online tools like Google Forms, we aimed to make sure that every student's opinion was heard and that their input would influence significant improvements to a range of campus life issues. With this introduction, we can start working together to give every member of our college community an even more rewarding and meaningful academic experience.

## Objectives:

To Evaluate Overall Satisfaction: To determine how satisfied students are with the academic program, campus life, extracurricular activities, and support services, among other areas of their education.

To Determine what requirements to Be Improved: To identify particular areas that require improvement in order to better meet the requirements and expectations of students and guarantee a more fruitful and satisfying educational experience.

To Get Student Input for Strategic Planning: To gather student input for strategic planning activities that will improve the general standard of instruction and campus life.

To Enhance Student Engagement: To encourage more student involvement and engagement by giving them the chance to express their thoughts and help choose the course that the college will take in the future.
