It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. 16. Extension Activity

Presentation of NCC Activities 2022-23

1. Title of the activity/ event

Republic Day

2. Objectives of the practice

- To celebrate Republic day
- To aware people about the significance of Republic day
- To realize one's duties towards the nation

3. The Context

Republic Day is one of three Indian national holidays and it commemorates the enactment of the constitution of India, which occurred on January 26, 1950. India had achieved independence from Britain on August 15, 1947 (which is celebrated as a separate national holiday), but for its first three years the country remained governed largely by the colonial Government of India Act of 1935. Shortly after independence was declared, a constituent assembly elected by provincial assemblies went about drafting a constitution that would govern the newly independent nation. After more than two years, the constitution of India was completed and solidified the establishment of India's independent democratic government. January 26 was chosen as the official enactment date as a nod to the Purna Swaraj (complete self-rule) declaration of independence by the Indian National Congress in 1930 — considered the first concrete step toward independence from Britain.

1. mitigate the problem caused by ocean debris and the danger that plastic pollution poses to marine life
2. Raise Awareness
3. Clean Up The Environment

Community engagement: Beach cleaning activities can bring together community members and create a sense of shared responsibility for the environment. NCC girls can interact with other volunteers and community members, building relationships and fostering a sense of community spirit.

Leadership and teamwork: Participating in a beach cleaning activity can help NCC girls to develop leadership and teamwork skills. They can learn to work together to achieve a common goal and take on leadership roles in organizing and coordinating the activity.

Personal fulfillment: Participating in a beach cleaning activity can provide a sense of personal fulfillment and satisfaction. NCC girls can feel proud of their contribution to environmental conservation and feel a sense of accomplishment in making a positive impact in their community. **Symbolic representation:** Flags are powerful symbols that can represent many
