From President's Desk...

Dear Students,

It gives me an immense pleasure to serve as the President of premier institution in India Sonopant Dandekar Shikshan Mandali. To promote quality education to each and every youth in the vicinity, Sonopant Dandekar Shikshan Mandali started Sonopant Dandekar College in 1970. I am happy to state that right from its inception it has been striving to serve the cause of Higher Education to all. I am very glad to write this message for SPANDAN: 2019.

During last 49 years the college has earned the place by virtue of its dedicated scholarly pursuits. Since its inception, the college has challenged itself to achieve more than expected. It has been setting benchmarks of unparalleled success without compromising on quality and value based education in scientific, commercial, professional, vocational and industrial streams. This consistent development reflected in securing position for second time (Arts-83, Science-97 & Commerce-117) in top 100 colleges amongst India surveyed by India Today. I congratulate my Colleagues, Principal of the college and his team, teaching and non-teaching staff, alumni and students for this outstanding achievement.

I congratulate **Principal Dr. Kiran Save** for getting Konkan Marathi Literature Council's V.K.Nerurkar Memorial Award for his book 'चार्वकदर्शन-प्रासंगिकता'. I also congratulate **Asst. Prof. Mahesh Deshmukh** for successfully representing University of Mumbai at Tel-Aviv University for Suvarna-Yuva Programme organised by Department Of Student's Development, University of Mumbai in collaboration with Tel-Aviv University, Israel and I appreciate **Dr. Dilip Yadav**, Asst. Prof. Department of Chemistry for getting Design Patent for **Movable Laboratory**.

Annual college magazine SPANDAN represents the ethos and ambience of the culture at Sonopant Dandekar Shikshan Mandali and its various institutions. As the Golden Jubilee Year of the college will be celebrated in 2020, I hope and wish that the college will take on a new identity as a premier institute of higher education in this country.

I congratulate the editorial team and all the students' writers who have contributed to this issue. I wish all the best for future endeavors.

Thanks you very much.

From Principal's Desk...

Dear all,

I feel happy and lucky to lead the institution. A journey from small time institute in then the Thane District to one of the prestigious institute of higher education in the University of Mumbai and in the country is astonishing. This journey is of hardwork, dedication from everyone associated with this institute.

Learning is a virtue and an asset. It not only expands our modes of perception and makes us independent but it also makes us capable of

empathy and sympathy. Our endeavors has contributed to higher education not only by enabling students to get a degree in Science, Commerce and Arts but also by inculcating the ability to think creatively and articulate their thoughts with confidence and conviction.

We are committed to learning and students are offered a wide range of opportunities with necessary support, guidance and advice. The college management, teaching staff and administrative staff have embarked upon a journey of creating an environment that nurtures the dreams and potentials of the students from this newly founded tribal district of India. The lush and vibrant environment of our college is not only visually appealing but it also instills a respect for nature in the students.

The Year gave us a rich and satisfying experience of good accompaniment of eminent personalities like Mr. Chandrashrkar Tilak, Ex. Vice President NSDL and renowned economist, famous poetess Reshma Karkhanis, news anchor and journalist Milind Bhagwat, writer Nikita Bhagwat, well known classical singer Amruta Kale, famous poet and author Prasad Kulkarni, and many more through various programmes, guest lectures, state and national level conferences.

The College offers courses in Humanities, Commerce and Science, Management, I.T., Biotechnology, Computer Science & Accounting & Finance. The college also offers Post Graduate courses in Botany, Zoology, Biotech, Physics, Mathematics & Chemistry in Science faculty, Advanced Accountancy and Business Administration in Commerce faculty and Post Graduate courses in Marathi, History & Political Science in Arts faculty. We also offers Ph.D. programme in Botany, Zoology, Biotechnology and Chemistry. Along with the traditional courses the institute also offers Short term Certificate courses in Business English, Communicative English, GST, Digital Marketing, Office Automation, Business Marathi etc. Along with these courses the institute collaborated with the industry and prepared the industry needed courses. Department of Chemistry along with Lupin Ltd. has developed a course in Industrial Chemistry to cater the need of the pharmaceutical industry in the region.

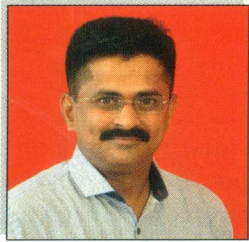

Sonopant Dandekar College is always known for their social commitment. National Service Scheme (NSS) and National Cadet Corps (NCC) units of the college adopted tribal villages for development related to infrastructure, environmental issues, swatchata abhiyan, school dropouts issue so on and so forth. College has collaborated with Local Government authorities, Department of Health, Government of Maharashtra and Government of India and participated in the various events organized by them. College always promoted local talent for university and national level cultural and sports activities. Students won various prizes at zonal and university level competition levels and represented university at national level competitions.

Over the last five decades with its ability it reaches to its excellence. Armed with confidence in the roots and with the faith in its "support system" – its faculty, staff and resources, Sonopant Dandekar College will continue its success story for many years to come.

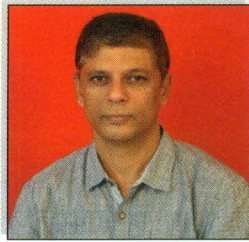

I am privileged to present the issue of our annual college magazine SPANDAN:2019 on a central theme of "**Mental Health of the Youth in Changing World**" coined by World Health organization for the year 2018. I congratulate the editorial team and all the student writers who have contributed in the issue.

I wish all the best and success to all future endeavors.

Editorial

*"Taking care of our mental health
is the smart thing to do."*

Annual college magazine voices the students' views and thoughts; it is a platform to express their dreams & aspirations, an opportunity to show their talent as well as a review of college activities and achievement during the academic year.

We are very much thankful to Internal Quality Assurance Cell (IQAC) and Dhawle Memorial Hospital for jointly organizing workshop on Mental

Health of Youth which gave us a central theme for SPANDAN our annual magazine. Sensitive issue is covered under the title "Mental Health of Youth in Changing World", which was a theme given by World Health Organization in 2018.

India has more than 50% of its population below the age of 25 and more than 65% below the age of 35. It is expected that, in the year 2020, the average age of an Indian will be 29 years. According to the 'World Population Prospects: India is the youngest country in the world having population of youths in the age group of 10 to 24 - year-olds around 242 million.

We, as a editorial board opted this theme with the objective of creating awareness among students, parents and society at large on mental health and disorders and providing comprehensive management programs for them. We are positive that everybody will find reflection of young mind and their thinking process on various dimensions of this sensitive issue in this issue of SPANDHAN .

This issue of SPANDHAN would not have been possible without the kind help and support of President Adv. G.D. Tiwari, Vice President Shri. Chandrakant Dandekar & Shri. Sunil Chitre, Treasurer Shri. Hitendra Shah, Secretary Prof. Ashok Thakur and Shri. Atul Dandekar and Joint Secretary Shri. Jayant Dandekar. We owe our sincere gratitude to Principal Dr. Kiran Save for his faith in us and constant support and motivation. We are thankful to Asst. Prof. Mahesh Deshmukh for his insightful inputs related to magazine.

All thanks to Shri. Sanjay Mahajan, Jr. College Vice-Principal, Dr. Smita Save, Dr. Harshad Vanmali, Mrs. Priti Phansekar for their timely support.

The work would have been incomplete without the full cooperation of our administrative support system, mainly Mr. Prakash Chabke, Mr. Himanshu Patil and Mr. Akesh Raut. All thanks to section editors for their kind cooperation.

We believe that the college magazine is reflection of our commitment towards society and nation at large.

Thank you very much.

पालघर उपकेंद्रासाठी जागेची पाहणी

प्राथमिक तत्वावर पाच एकर जमीन अपेक्षित, कुलगुरू डॉ. पेडणेकर यांनी केला दौरा

पालघर : सचिन जगताप

पालघर जिल्ह्यात मुंबई विद्यापीठाचे उपकेंद्र बनावे, यादृष्टीने विद्यापीठाचे कुलगुरू डॉक्टर सुहास पेडणेकर यांनी पालघर जिल्ह्याचा दौरा करून या उपकेंद्राच्या जमिनीबाबत जिल्हाधिकारी व खासदार राजेंद्र गावित यांच्यासोबत चर्चा केली. हे उपकेंद्र बनावे यासाठी पेडणेकर प्रयत्नशील असून यासाठी त्यांनी दुसऱ्यांदा जिल्हा प्रशासनाशी चर्चा केली.

मुंबई विद्यापीठ उपकेंद्र उभारणी करण्यामागचा हेतू हा येथील विद्यार्थ्यांच्या सोयीकरता असावा. तसेच येथील विद्यार्थ्यांना मुंबई विद्यापीठाशी संलग्न असलेली सर्व ती कामे मुह्यालयाच्या ठिकाणी व सोयीच्या ठिकाणी मिळावी, यासाठी हे उपकेंद्र महत्त्वाचे ठरणार असून उपकेंद्रा बरोबरीने कार्यालयीन कामकाजासाठी प्रायोगिक तत्वावर व प्राथमिक तत्वावर पाच एकर जमीन अपेक्षित असल्याचे त्यांनी म्हटले आहे.

पालघर जिल्ह्यातील व परिसरातील विद्यार्थ्यांना दररोज मुंबई विद्यापीठामध्ये संपर्क साधणे अवघड जात असल्यामुळे येथील आदिवासी बहुल भागाच्या विद्यार्थ्यांना या उपकेंद्राच्या माध्यमातून ते सोयीचे ठरणार असल्यामुळे आम्ही या उपकेंद्राच्या उभारण्यासाठी प्रयत्नशील असल्याचे पेडणेकर म्हणाले.

आपल्या दौऱ्या दरम्यान त्यांनी पालघरमधील दांडेकर महाविद्यालय तसेच टेंबोडे येथील चाफेकर महाविद्यालयाला भेट दिली. जिल्हाधिकारी डॉक्टर प्रशांत नारनकर यांच्यासह खासदार राजेंद्र गावित व सातपाटी येथील मच्छीमार संस्थांचे पदाधिकारी यांच्याशी भेट घेतली. या भेटीदरम्यान त्यांना सर्वांकडून चांगला प्रतिसाद लाभल्यामुळे लवकरात लवकर या उपकेंद्राला तसेच तसेच मुंबई विद्यापीठाच्या प्रशासकीय इमारतीबरोबरीने माचीमारांच्या व्यवसाय हट्टीकोनातून मत्स्य प्रशिक्षण अभ्यासक्रमासाठी जागेचा प्रश्न सुटेल व लवकरात लवकर हे उपकेंद्र येथे उभी राहील असे आशा त्यांनी यावेळी व्यक्त केली.

समुद्री जैव अभ्यास केंद्र सुरु करण्याचा मानस

मुंबई विद्यापीठाच्या कार्यक्षेत्रात सुमारे ७२० किलोमीटरचा समुद्रकिनारा लाभणे हे बहुतांश जगातील एकमेव विद्यापीठाचे स्थान असले सागरी विविधता लक्षात घेता या समुद्रकिनारा वरील मच्छीमारांसाठी व त्यांच्या मुलांसाठी येथे त्यादृष्टीने समुद्री जैव अभ्यास केंद्र व समुद्रात मासेमारीसाठी आधुनिक तंत्रज्ञान कसे वापरवे, यासंबंधीचे उपक्रम सुरु करण्याचा मानस असल्याचेही त्यांनी व्यक्त केला. त्याचप्रमाणे पालघर येथे एका कल्चर सेंटर लवकरात लवकर सुरु करण्याचा विचार असल्याचेही ते म्हणाले. सिंधू स्वाध्याय उपक्रमांतर्गत मत्स्य विषयाशी निगडित विविध अभ्यासक्रम राबविण्यासाठी येथील मच्छीमार संस्थांशी भेट घेऊन त्यांच्याशी ही कुलगुरूंनी यादरम्यान चर्चा केली.

मच्छीमारांना त्यांच्या आर्थिक सबलीकरणकडे कसे नेता येईल याकडे लक्ष देणे गरजेचे आहे. यासाठी आधुनिक तंत्रज्ञानाकडे जाण्यासाठी मत्स्यव्यवसाय व सागरी व्यवसायाशी निगडित विविध प्रमाणपत्र अभ्यासक्रम आदी उपक्रम सुरु करण्याचा लवकरात लवकर प्रयत्न करणार आहोत.

महाविद्यालयीन वक्तृत्व स्पर्धेत सुप्रीम मस्कर प्रथम

वर्तक महाविद्यालयाचा विद्यार्थी, वक्तृत्व स्पर्धेत १२ महाविद्यालयांचा सहभाग

पालघर : बार्नाट

सोनेपंत दांडेकर महाविद्यालय राष्ट्रीय स्तरावरील आणि स्वदेशीय स्तरावरील वक्तृत्व स्पर्धा पालघर यांच्या संयुक्त विद्यमाने आयोजित करण्यात आलेल्या राज्यस्तरीय अंतिम महाविद्यालयीन वक्तृत्व स्पर्धेत संपूर्ण अग्रांमार्ग वरिष्ठ महाविद्यालयांच्या पुरीम प्रथम प्रथम प्रथम प्रथम प्रथम या स्पर्धेत मुंबई, कल्याण, बदलापुर, वाडा, विार, सराई, बोर्डी, मुरवाड, उतन, मिरापुरा, विचिणी, पालघर अशा विविध भागातील महाविद्यालयांमधून स्पर्धेत सहभागी झाले होते.

महिला विट्ठल : पुढाकार घेऊन या विषयावर त्याने आपली पराक्रम माने मांडली. महिला विट्ठल हा मानलेला कलंक असून अल्पवयीन सारख्या नव्या पिढीने या घाबरीत साहसावरून विचार केला पाहिजे. आपण आधुनिक, विज्ञानवादी झालो असलो तरी धार्मिकतेच्या वडीच्या वेळेला आपल्या पारतंत्र्य बंद करून घ्यावे आणि हे समकालीन दाखले देत विवेचन केले. स्पर्धेत द्वितीय पारितोषिक प्राप्त करून घेऊन महाविद्यालयाच्या क्षेत्रात सत्यते या विद्यार्थ्यांनी यशस्वीपणे, आदिवासी विकासचे वास्तव या विषयावर त्याने मुद्देसूर विवेचन केले. तृतीय पारितोषिक बरदारमूर्त्या आदर महाविद्यालयाच्या वैभव सोबत घेऊन

या विद्यार्थ्यांना मिळाला. मोबाईल माझा संगमती या विषयावर विचार मांडताना निर्माणकर्ता हा निर्मित वस्तू निर्मित करतो तोच ठीक आहे. मज, जेव्हा एखादी निर्मित निर्माण करण्यात निर्मित करू लागते तेव्हा ते हानीकारक असते. असा मुद्दा मांडून आपले वक्तृत्व सादर केले. उत्तमनाथ पारितोषिक वाढा महाविद्यालयाच्या कुणाल ठाकरे या विद्यार्थ्यांनी पटकविले.

स्पर्धेच्या उद्घाटनसंगी संस्थेचे सचिव प्रा. अशोक ठाकूर, प्राचार्य डॉ. किंजल साने, कनिष्ठ महाविद्यालयचे कार्याध्यक्ष प्रमोद पाई वरिष्ठ आणि धरमर पाटील उपस्थित होते. तसेच पारितोषक देण्याचे अर्थसहकार्य पाटील आणि सत्यम विनोद पाटील यांनी सहभागी स्पर्धेकांती पत्रातून नेमके कसे असते या विषयावर संवाद साधला. स्पर्धेचे समन्वयक म्हणून पाटील विभाग प्रमुख प्रा. विवेक कुडू यांनी काम पाहिले.

परिक्षण पी. एल. अर्क, महाविद्यालयातील प्रा. जनेश्वर भोसले, मालाडच्या अर्धव अर्धविक्रमी महाविद्यालयातील प्रा. सिमता पाटील आणि सोनेपंत दांडेकर महाविद्यालयातील प्रा. दर्शन चौधरी यांनी केले. स्पर्धेच्या आयोजनात प्रा. मितल पाटील व विद्यार्थ्यांनी नीलम मेहता, अना बोर्डी, अर्पिता किणी, प्रती पाटील यांचे सहकार्य लाभले.

आदिवासी विद्यार्थ्यांना देण्यात येणाऱ्या विशेष पारितोषिकामुळे आदिवासी विद्यार्थ्यांच्या स्पर्धेतील सहभागाला टक्का यंदा वाढलेला दिसला. पालघरच्या विधी महाविद्यालयाच्या मितल बापणे या विद्यार्थ्यांनी हे विशेष पारितोषिक प्राप्त झाले. स्पर्धेतील पाच विषयांपैकी सभास संशोधन आणि तर्कण या विषयाला कोणत्याही स्पर्धेकांनी स्पर्धा न करणे यातून संशोधनवास्तव तर्कांमध्ये असलेली अनास्था व अनभिज्ञता समोर आली.
