BANK LOAN FACILITY

The College has started self financing courses like B.Sc., Bio-Technology, B.M.S., M.Sc. Chemistry as a need of hour. There is good response from the students of this area but it finds that the students taking admission to such courses find financial hardship in paying fees towards the courses. The college therefore has approached Saraswat Bank, Palghar for Educational Loan to the students. The College will recommend needy students to the bank and students will get educational loan from the Bank and prosecute their studies calm and quietly. The needy students are instructed to avail this facility.
