DEPARTMENT OF BMS AND BAF

COURSE SUMMARY REPORT

The course covered essential topics ranging from the fundamentals of the stock market to advanced techniques in company analysis and live trading sessions. Participants learned about the reasons to invest, stock market basics, and the workings of indices like SENSEX and NIFTY. Practical sessions guided them through opening Demat and Trading accounts, applying for IPOs, and understanding stock market timings. Preparing for investment included insights into mutual funds, compounding, and types of orders, alongside discussions on famous investors and the importance of a long-term approach. Financial statements and their analysis, including income statements and cash flow statements, were thoroughly explored, along with understanding corporate actions and fundamental analysis of companies. Live trading sessions provided hands-on experience in using terminals, analyzing charts, and understanding mutual funds.

Duration of the Course: 50 Hours

Date of Commencement: 4th October, 2020

Date of Completion: 14th December, 2020
