Creative writing

Creative writing is a form of expression that uses imagination and artistic language to convey ideas, emotions, and stories.

Objective: -

1. Encourage students to explore their imagination, develop storytelling skills, and express themselves creatively through various writing genres and techniques.
2. Foster a supportive and inspiring environment that promotes experimentation, revision, and reflection in the writing process, leading to the creation of original and engaging literary works.

Outcome: -

1. Students will demonstrate proficiency in crafting creative and original written works across different genres, showcasing effective use of literary devices, narrative techniques, and imaginative storytelling.
2. Students will develop critical thinking skills, creativity, and self-expression through the writing process, leading to enhanced communication abilities, self-confidence, and a deeper appreciation for literature and language.

Participants:

1. Chief Guest
2. Extension Teacher
3. DLLE students
