**Date** – 17/12/2022

**Time** – 11.00 am

**About the Event** – Dr. Kiran Save (Principal, SDSM College), Prof. Dr. Tanaji J. Pol (Vice-Principal and Head, Department of Politics) and Prof. Mahesh Deshmukh (Vice-Principal) welcomed and felicitated the Chief Guest- Prof. Baliram Gaikwad, Principal, Konkan Gyanpeeth Uran College of Commerce and Arts, Uran. Dr. Save then addressed our students with his brief speech where he admired the Certificate Courses initiated in the last year by the Department of Politics of the college viz. Certificate Course in French, Russian and India and World Affairs along with the new Certificate Course in German starting from this year. He then requested Prof. Baliram Gaikwad sir to inaugurate these courses for this year with his speech on the topic of ‘Emerging Career Opportunities in Foreign Languages’. Prof. Gaikwad sir intrigued our students as he shared in his speech some of his experiences and how foreign languages are gaining importance in the world today. His speech was then followed by the distribution of the certificates from his hand to our students who had completed the certificate courses in the previous year. Some of these even shared their own experiences in the course and appealed to the audience to register for the same courses. Asst. Prof. Rutuja Raut hosted the event with her pleasant anchoring. Asst. Prof. Madhura Raut, Department of Politics and History, concluded the program with her vote of thanks speech. The event was a grand success as it was attended by the faculties of our college and more than hundred students.

#### Event Objectives –

- **Removing Inferiority Complex around English and other foreign languages:** The ease with which the Chief Guest interacted with our students, actually made our students confident enough to reflect on their complexes in English and other foreign languages.
- **Appreciation of both local and foreign languages:** The guest did not just talk about the foreign languages but rather encouraged our students to learn any new language, be it Indian or Foreign and while doing the same, he also advised them not to forget their roots i.e. their mother tongue.
- **A New Language is Not A Monster!:** The Guest as well as the experiences of our certificate course students ensured our audience that learning a new language can be a fun experiment and there is nothing to be afraid of.
- **Awareness about the Certificate Courses run by the Department:** The students and the faculties were introduced to these Certificate Courses run by the Department of Politics with this event, which also became a platform to further spread the word about the same among the audience.
