NCC Activities 2021-22

Report on Ganga Utsav activity.

1. Title of the Activity/Event

Ganga Utsav activity.

2. Objectives

1. To promote awareness about the cultural and spiritual significance of the Ganga River
2. To encourage people to take an active interest in the conservation of the Ganga River which is one of the most polluted rivers in the world.
3. To provide a platform to showcase the various initiatives and efforts taken for the conservation of the Ganga River.
4. To mobilize NCC cadets to take up the cause of the conservation of the Ganga River and spread awareness about it in their communities.

3. Context

Ganga Utsav is an annual event that celebrates the Ganga River and its importance to Indian culture and society. The event is organized by the Ministry of Jal Shakti and aims to raise awareness about the conservation of the river.

4. Practice:

Sonopant Dandekar College conducted the Ganga Utsav activity to raise awareness about the conservation of the river. Cadets made posters on the conservation of rivers, and their significance in a sound environment. They arranged a rally from college to Talawpada, a nearby area, and made people aware of the cultural, geographical, and environmental significance of rivers. This shows their commitment to environmental conservation and promoting responsible behavior. The activity is conducted under the guidance of ANO Lt. Anagha Padhye-Deshmukh.

5. Outcomes:

1. To raise awareness about the cultural and ecological importance of the Ganga River and its conservation and the significance of the river and its role in sustaining the local communities and the environment.
2. To emphasize the need for effective conservation measures to protect the
3. To create a sense of responsibility and ownership among the people towards the conservation of the river and its ecosystem.
4. Increased public awareness about the importance of the Ganga River and its conservation, participation, and engagement of local communities in the conservation efforts, and the implementation of effective policies and measures for the protection of the river and its ecosystem.
