EVENT REPORT

Name of the Event - Workshop on Entrepreneurship for BMS and BAF Students, under the initiative, 'Hum Badlengi Bharat'- HBI

Date – 22nd January, 2020

Time – 11: 30 am

No. of Students Participated – 98 students from BMS/BAF

About the event –

The speaker explained to the students the ways to transform India through new start-ups. Entrepreneurship can contribute to transforming India. Entrepreneurship has the potential to make significant contributions to India's development and progress in various ways. Entrepreneurship generates employment opportunities, especially in sectors like technology, manufacturing, services, and agriculture. By starting new businesses or scaling existing ones, entrepreneurs create jobs that contribute to reducing unemployment and poverty levels.

Event Objectives –

The objective of the workshop on entrepreneurship for BMS and BAF students is to provide students with practical knowledge and skills required for successful entrepreneurship, including identifying business opportunities, developing business plans, and acquiring resources.

Outcomes –

By the end of the workshop, BMS and BAF students should be able to:

- Understand the key concepts and principles of entrepreneurship
- Analyze and evaluate the feasibility of a business idea
- Develop a business plan and financial projections
- Identify and acquire the necessary resources for launching and growing a business
- Develop effective communication and collaboration skills required for working in a team and building successful business networks
