Sub: Request to approve the proposal for organizing Blood Donation Camp on
January 10, 2021

Sir,

The NSS Unit of our college is proposing to organize a Blood Donation Camp on January 10, 2021 in Lions Club, Palghar Hall, Palghar, in collaboration with Lions Club Palghar and Kachh Yuvak Sangh Palghar.

We request you to kindly allow us to send the volunteers for the event.

Thank you.

Yours Sincerely,

Dr. Rohit Gaikwad
NSS Program Officer

Date: 04/01/2021

NOTICE

BLOOD DONATION CAMP

All the NSS volunteers are hereby informed that the “Blood Donation Camp” is organized by the NSS unit of our college on 10th January 2021 at 10.00 AM in Lions Club Palghar Hall, Palghar in collaboration with Lions Club Palghar and Kachh Yuvak Sangh Palghar.

All the NSS volunteers are requested to assemble in Lions Club Palghar Hall, Palghar at 9:30 AM and donate their blood to save lives.

NOTE: All the NSS volunteers are strictly requested to follow all prevention guidelines for Covid-19.

Dr. Rohit Gaikwad

NSS Program Officer

Dr. Kiran J. Save

Principal

REPORT

10th January 2021: The blood donation camp was jointly organized by the Lions Club of Palghar Kachh Yuvak Sangh of Palghar, NSS, and NCC Unit of Sonopant Dandekar College at Lions Club, Palghar NSS volunteers helped to arrange camp successfully, and eligible volunteers donated blood.

OBJECTIVES:

1. Promote voluntary blood donation by raising awareness about its importance.
2. Address blood shortages by highlighting the constant need for blood donations.
3. Dispel myths and misconceptions surrounding blood donation to encourage more individuals to donate.
4. Encourage regular blood donations to maintain a stable blood supply.
5. Increase awareness of blood types and their significance in matching blood transfusions to patients.

OUTCOMES:

1. Increased participation in voluntary blood donation drives due to raised awareness.
2. Improved availability of blood for medical treatments, especially during emergencies.
3. Reduced reluctance towards blood donation as misconceptions are dispelled.
4. Establishment of a sustainable blood donation culture with more regular donors.
5. Enhanced understanding of blood types, leading to better matching of blood transfusions and improved patient care.

Dr. Rohit Gaikwad
NSS Program Officer

GLIMPSES OF THE EVENT
