Respected Sir,

We are the management institute in this area and provide management education to the students of this area. As per the Mumbai University BMS norms, students are supposed to do regular industrial visits for enhancing their practical knowledge. We will be obliged if you permit our students to visit your plant.

This will surely help them in developing their managerial abilities and to understand the internal environment of an organization.

Looking forward for your co-operation

Thanking you in anticipation

Yours sincerely
