NOTICE

Field Visit At Unnati Agriculture Farm Mahim

This is to inform you that the Department of Zoology are going to arrange a one day field visit at Unnati Agriculture Farm Mahim on 13th January 2020.

This session aims to broaden your perspectives and enhance your knowledge in agriculture.

All students are encouraged to attend this visit to make the most of this valuable learning opportunity.

Attendance will be noted, and participation is highly encouraged.

Department of Zoology Event Report

- **Event:** Visit was arranged at Unnati Agriculture Farm at Mahim
- **Venue:** Unnati Agriculture Farm at Mahim
- **Date of Event:** 13th January 2020

About the Visit:

This Visit provides a roadmap for the shrimp farming industry to restore mangrove habitat and return the full range of ecosystem services they provide.

“Students are able to know that the farmed shrimp industry has a huge opportunity to bring back lost mangrove habitat. Shrimp farming can simultaneously improve its environmental reputation and tackle climate change by restoring abandoned ponds and by adopting shrimp farming practices that aim to operate in harmony with mangroves,”

Seema Deshmukh
H.O.D. of Zoology
