ACTIVITY REPORT

Name of the event: - Guidance on Research Methodology for DLLE students

Date: - 26/02/2021

No. of participants: - 20

About the Event:

The Department of Lifelong Learning and Extension organized a webinar on Research Methodology on 26th February, 2021. Prof. Maqsood Memon, who was invited as a speaker for this webinar, guided the DLLE students on the same. The webinar was conducted in online mode and turned out to be helpful for the students.

Event Objectives:

1. To support the students to use rationally alternative research methods when preparing their dissertation.
2. To provide knowledge and understanding about the design of scientific research, methodology and research methods.
3. To inculcate logical and systematic thinking in students.
4. To introduce the students with basic concepts of methods used in research.
5. To create awareness on which sources one could access for getting authentic information.
6. To make aware of the latest trends in the discipline of specific research.

Learning Outcomes:

Students understood the basic techniques of choosing topics for the research as well as the methods they could use for doing the same.
