Subject: Permission for industrial visit at Parag Milk Foods Ltd,
Gowardhan, Manchar, Pune.

Respected Sir/ Madam,

As per an oral conversation between Dr. Shilpa Gharat, Head, Department of Biotechnology, Prof. Niyati Tiwari, Asst. Professor, Department of Biotechnology of our college and Mr. Ajit Marathe, Manager, Accounts, Parag Milk Foods Ltd we are formally requesting you to permit our students for an industrial visit at your Dairy industry, to observe Dairy processing, as the part of co- curricular activity, for our first, second, and third year biotechnology students. The total number of students is approximately 100.

I request you to kindly permit us to visit your facility as per your convenience between 10th to 20th of January, 2019.

Looking forward for your positive response.

Thanking you.

Regards,

Dr. Kiran Save,
Principal.

Subject: Educational Visit of Biotechnology students of Sonopant Dandekar college , Palghar

Dear Sir,

Educational Visits are to be arranged to various organizations, dairy industries and other institutes as a part of our curricular activities.

Six professors along with two escorts will accompany a batch of 80 students of first year, second year and third year Biotechnology students and will explain further details in the matter.

For the same I want to request you to allow our students and teachers to visit your institute/ premises to visit on 15/01/2019 at 10:00 am/pm.

Needless to say your co-operation will help us to make education more relevant and lively.

Requesting co-operation.

Thank you.

Regards,

Dr. Kiran Save,
Principal.

EVENT REPORT

Name of the Event -Industrial visit at Parag Milk Foods Limited (Govardhan), Manchar, Rajiv Gandhi National Park , Katraj, and Bhagyalaxmi Dairy farm, Pune

Date -14/01/2019 and 15/01/2019

Time - 9.00 am to 4.00 pm

No. of Students Participated – 60

Aim- To make students aware of work culture and safety measures in the food industry.

Event Objectives –

- The objective of the Industrial Visit is to help students gain first-hand information regarding the functioning of the milk and food Industry, which helps the students with opportunities to plan, organize and engage in active learning experiences both inside and outside the classroom.
- To make students aware of work culture in a food industry and safety measures which has to be followed while working in a food industry.

Learning Outcome –

- The industrial visit will be a great help to understand the working of the milk and food industry.
- It will help students to get a clear view of how the milk products are manufactured.
- It also helps students to become more aware of different departments in the industry, and what are the different career opportunities available in this particular sector.
- The visit will also help to understand the quality standards maintained and the efficiency of processes in industry.

Post Event Report –

Department of Biotechnology had organized a two day study visit for Biotech students at Pune on 14/01/2019 and 15/01/2019.

Places visited on Day 1-

Rajiv Gandhi National Park , Katraj where the students observed various biologically important species in their natural habitat. The zoo has a collection of various reptiles, mammals and birds with its own snake park. The students were made aware about the environmental issues and wildlife conservation.

Places visited on Day 2-

(i) Parag Milk Foods Limited (Govardhan), Manchar: Students were taken through the working area of industry where they observed Village level collection centers, working of Bulk coolers, chilling centers and cheese production units.

(ii) Bhagyalaxmi Dairy farm: Students were further taken to Bhagyalaxmi Dairy Farm where the coordinator of the farm explained the process of cow breeding.

Dr. Shilpa M. Gharat

Head, Department
Of Biotechnology
