REPORT

District AIDS Control Organization - Debate Competition:

On February 5, 2022, the District Medical Hospital, in conjunction with the District AIDS Control Society, orchestrated a district-level debate competition aimed at igniting discourse on HIV/AIDS issues. Among the participants were Mamta Padiyar and Karishma Jain, National Service Scheme volunteers, whose articulate advocacy earned them the first prize. Their triumph not only underscores youth involvement in combating HIV/AIDS but also highlights the power of dialogue in dispelling stigma. This event signifies a collective commitment towards fostering awareness and support for those affected by HIV/AIDS, propelling us towards a future free from the burdens of this disease.
