Activity Report

To promote sustainability and environmental consciousness amongst the students and the public, the NSS unit has organized a Cloth Handbag Making Campaign. The production and distribution of cloth bags as eco-friendly alternatives to plastic bags.

The NSS Team instructed students to contribute 800 cloth bags from their homes, in addition to the bags collected within the college premises. Furthermore, the campaign received generous donations from Mr Hitendrabhai Shah, Treasurer Sonopant Dandekar Shikshan Mandali, who contributed 300 cloth bags to the campaign. These bags were handed over to Principal Dr Kiran Save to support the initiative. Prof. Mahesh Deshmukh, the supervisor of the NSS Team, donated 250 cloth bags towards the campaign, demonstrating a commitment to sustainability and community engagement.

The Cloth Handbag Making Campaign uplifted the spirit of collective action and community engagement in pursuit of environmental sustainability. Through collaborative efforts and generous contributions, the campaign has made significant strides towards reducing plastic pollution and promoting eco-friendly practices. In the end, students learnt valuable skills related to sewing, designing, and crafting cloth handbags, empowering them with practical knowledge that can be used for personal or entrepreneurial purposes.
