Event Report

Place of visit: Industrial visit to Nishant Aroma Industry, Palghar MIDC

Date of visit: 20 February 2022

No. of students participated: 19

About the visit:

Industrial visit to Nishant Aroma Industry, Palghar was conducted for T.Y.BSc and MSc botany students. Students were assembled in botany lab at 2:00 pm after guest lecture. All the students along with faculty members visited Nishant aroma industry, located in Palghar. At the industry students were allowed to explore insights of factory where students observed and studied extraction of essential oils and other components from plant material and its processing. Also the interactive session with the in charge person were arranged by industry to give more information about plant are products.

Objectives of the visit:

- To observe and understand the real world industrial processes, equipment and operational related to their field of study.
- To build the bridge gap between theoretical knowledge and its practical application.
- To provide students with opportunities to interact with industry professionals, experts and practitioners.
- To stimulate student's creativity by innovating technologies, processes and practices within the industry.

Learning Outcomes:

- Students were interacted and learned from experts in industry. They have influenced by professionals and experience their share of wisdom and learnings.
- The visit opened new venues for learning by seeing as students have always been learning through imagination.
- Students have tried to learned management concept like quality analysis, benchmarking, just-in-time production etc.
- Students have the opportunity to see new things and learn about them in a more unstructured way.

Asst. Prof. Harshal Chaudhri
