The NSS Day Celebration on September 24, 2018, aimed to commemorate the founding of the National Service Scheme and reinforce the values of community service, environmental conservation, and social responsibility among students.

The NSS Unit organized a vibrant and engaging celebration to mark NSS Day. The event featured a range of activities focused on community service, environmental awareness, and motivational speeches.

Dr. Kiran Save, Principal, graced the occasion as the chief guest. His presence added significance to the event and inspired students to participate in the different activities.

As a symbolic gesture of environmental stewardship, Dr. Kiran Save, along with NSS volunteers, planted trees on the college campus. This activity underscored the importance of environmental conservation and sustainability.

Dr. Kiran Save delivered an inspiring lecture on the importance of community service and the fulfilment derived from actively participating in social work. He shared anecdotes and insights into the rich tradition of community engagement upheld by the college, motivating students to embrace the values of empathy, compassion, and social responsibility.

NSS volunteers enthusiastically participated in various activities organized as part of the NSS Day Celebration. They actively contributed to tree-planting efforts, engaged in interactive discussions, and showcased their commitment to serving the community.

"Plant and Adopt a Tree."

The NSS Unit celebrated NSS Day on September 24th, 2018 with a unique initiative called "Plant and Adopt a Tree." To promote environmental responsibility and create a sense of ownership among volunteers, a pre-meeting was held that same morning at Amalani Rest House. During the meeting, volunteers learned about the program and how they could participate. The initiative involved forming groups of five, with each group responsible for planting and nurturing a designated tree on the college campus. The NSS Unit, in collaboration with the college administration, guided in selecting suitable tree species and proper planting techniques. This initiative not only resulted in the beautification of the college grounds but also fostered a sense of environmental responsibility among the NSS volunteers. By adopting a tree, each group became invested in its growth and well-being, promoting a long-term commitment to sustainability on campus. In total 50 trees were planted that day. The event also witnessed the presence of local community members, teachers and alumni.
