ACTIVITY REPORT

Name of the Event - Global Warming

Date – 04/10/2019

Time- 2.00 p.m.

No. of Students Participated – 48 (Boys: 20 & Girls: 28)

About the Activity:

Student manager Madhu Kale introduced the Guest Prof. Bhushan Bhoir. Sir gave the insights of Global warming. Expression of gratitude given by student manager Ravina Bhoir.

Objectives:

1. To make students aware of the current scenario of climate change.
2. To make students realize the fact that their small deeds can lead to either positive or negative impacts.
3. To increase the understanding of the atmosphere/ecosystem exchange of greenhouse gasses (especially carbon-containing compounds in aquatic ecosystems).
4. How a minute-degree difference in temperature leads to great threats.
5. To make students understand the impact of Climate Change on different sectors and life.

Outcomes:

Due to the global nature of climate change, efforts must be made on a global scale, but individual actions must be made as well. How to encourage sustainable development without merely upsetting the surrounding real world. A responsible person involves others in taking action in addition to taking it themselves.
