Report on Residential Camp at Agriculture Centre, Kosbad - Taluka Dahanu

Date of Event : February 16th & 17th Feb, 2019

Objective:

The primary objective of the camp was to provide students with practical exposure to agricultural practices, promote awareness about sustainable farming methods, and facilitate interactions with experts in the field.

Activities:

- Visits to Nurseries: Students visited nurseries to observe different plant varieties and learn about nursery management techniques.
- Demonstrations of Modern Agricultural Techniques: Demonstrations were conducted to showcase modern agricultural techniques such as drip irrigation, greenhouse farming, and organic farming methods.
- Interactions with Local Farmers: Students had the opportunity to interact with local farmers to gain insights into traditional farming practices and challenges faced by farmers in the region.
- Supervised by Faculty Members: The camp was supervised by experienced faculty members and staff to ensure the safety and well-being of the students throughout the camp.

Attendance:

- 41 students from SYBA Sonopant Dandekar College participated in the residential camp.
- All students attended the camp as it was compulsory to complete the practical component of the course successfully.

Outcome:

The camp provided valuable hands-on experience to students, enhancing their understanding of agricultural practices and sustainable farming methods.

Interactions with experts and local farmers facilitated knowledge exchange and enriched students' learning experiences.

The camp promoted awareness about the importance of sustainable agriculture and its role in rural development.

Conclusion:

The Residential Camp at Agriculture Centre, Kosbad - Taluka Dahanu, was a successful initiative, achieving its objectives of providing practical exposure and promoting awareness about sustainable agriculture. The active participation of students and the guidance provided by faculty members ensured the smooth conduct of the camp.
