

Department of Lifelong Learning and Extension (DLLE) Notice

Literacy Awareness

Literacy awareness involves promoting the importance of reading and writing skills for individuals and society and raising awareness about the benefits of literacy, our speaker tells the importance of education and discusses many career opportunities for DLLE students.

Objectives:

1. Awareness: To raise awareness among participants about the importance of literacy and its role in personal, social, and economic development, especially during the COVID-19 period.
2. Access to education: To highlight the challenges and barriers to education and literacy faced during the pandemic and discuss strategies to overcome them.
3. Digital literacy: To promote digital literacy skills among participants, enabling them to navigate online learning platforms, access educational resources, and communicate effectively using digital tools.

Outcomes:

1. Understanding literacy: Participants gained a comprehensive understanding of literacy and its importance for personal growth, social development, and economic empowerment.
2. Awareness of literacy challenges during COVID-19: Participants became aware of the challenges faced in accessing education and literacy resources during the COVID-19 period, particularly for marginalized communities.

3. Digital literacy skills: Participants developed or enhanced their digital literacy skills, enabling them to effectively navigate online learning platforms, access educational resources, and communicate using digital tools.

Participants:

1. Chief Guest
2. Extension Teacher
3. DLLE student
