Feedback Form on Certificate Course on Fundamentals of Stock Market and Investment Opportunities

Dear Students,

Thank you for participating in our 60 hours Certificate course in Fundamentals of Stock Market and Investment Opportunities. We hope that you found the course informative and engaging, and that you learned valuable skills that you can apply to your own investing strategies.

As part of our ongoing efforts to improve the quality of our courses, we would appreciate your feedback on your learning experience. Please take a few minutes to complete the following feedback form. Your honest and constructive feedback will help us to better understand the strengths and weaknesses of the course, and to make improvements where necessary.

Thank you in advance for your time and valuable input. We look forward to hearing your thoughts. For more details you can contact Asst. Prof. Maqsood Memon - 8408068786

An Open-Ended Question was asked from the students

Any Suggestions you would like to give for the further improvement of the course.

Students Responses

1. It should be more practical
2. No, overall course was designed right fit for us
3. Good knowledge
4. Please provide more courses
5. The content which provides was excellent it can be better with some practical approach
6. No suggestion it was just perfect
7. Overall sessions are so informative and i have fun in learning
8. Good course
9. Course complete in short time duration
10. The course was practically very proper and perfect
11. Everything was picture perfect
12. No, everything taught in the course was adequate for beginners, the PPTs had all the information required and it was easy to understand as well.
13. The course was very nice and helpful. Can provide more case studies
14. The timing of the course is not flexible for so many students. Dates should be considered according to the students.
15. Course should not be in the vacation time it's very difficult
16. No sir no need for improvement the course is perfectly planned and organised.
17. Add fundamentals about banking sector stocks also
18. A detailed explanation of technical analysis and reading charts.
19. Take short time duration for completion of course
20. I took very useful knowledge from this course
21. Continue class and more interactive session
22. To teach more technical analysis of stock market
23. Everything was perfect
24. I would like to suggest add some more practical information or examples.
25. This is given more knowledge of stocks
26. The course is perfect there is no need for any kind of suggestions..
