Sub: - Invitation as a Guest Speaker in the subject of Recent
avenues in management and research in Biotechnology
on 24/10/2019

Respected Sir,

This is with reference to the telephonic conversation between you
and Dr. Shilpa M. Gharat regarding coming as a Guest Speaker in the subject
Biotechnology.

On the behalf of Sonopant Dandekar College I would like to invite
you as a Guest Speaker for a seminar to be conducted for the students of M.Sc
Biotechnology on 24/10/2019 on " Tissue resident T- cell analysis" in our college

We would be glad if you have accept our invitation to come
here and guide our students.

Thanking You.

Yours sincerely,

(Dr. Kiran . J .Save)

(I/C Principal)

Subject- Thanking letter

Respected Sir,

On the behalf of Sonopant Dandekar College I would like to thank you for coming as a Guest Speaker for the students of M.Sc Biotechnology on 24/10/2019. Your well conducted lecture on “ **Tissue resident T- cell analysis**” and its applications were well appreciated by our students. It was a nice experience to hear your ideas and I am sure that it will help our students to derive an understanding about the subject and enter into new research areas in this field .

Thanking You.

Yours sincerely,

(Dr. Kiran . J .Save)

Subject:- Thanking letter

Respected Sir,

I would like to thank you for inviting me as a guest lecture and giving me the opportunity to interact with M.Sc. Biotechnology students. It was a nice experience to share my work on 'Tissue resident T-cell analysis'.

Special thanks to **Dr. Shilpa M. Gharat** for taking the initiative for such activity.

Thanking you.

Yours sincerely,

Department of Biotechnology

Event report

Date: 24/10/2019

No. of Participants: 30

Event Name: Guest Lecture on TISSUE RESIDENT T-CELL ANALYSIS'

Venue: Biotechnology Lab, Sonopant Dandekar College, Palghar

AIM: Organize one day seminar on Tissue resident T-cell analysis for M.Sc Biotechnology students.

OBJECTIVES:

1. To help the students to understand the role of T cells in Immune response
2. To provide knowledge of advanced research currently undergoing in the field of biotechnology.
3. To understand different advanced laboratory methods regarding Tissue resident T-cell analysis.

About the event:

Dr. Suraj Varkhande Delivered a speech on various techniques and instruments used in 'Tissue resident T-cell Analysis'. Students were intrigued by his insights of the subject which kept them engaged and attentive throughout his lecture.

Dr. Shilpa M. Gharat
Head, Department of Biotechnology
