### **Report of the Programme**

The programme began with an opening speech by Dr. Vijay Joshi, (Road Man) who received a valuable award Order Of Australia in the year of 2012. The programme then proceeded with in-depth knowledge about How they have Construct roads in Australia which made up with waste plastic material having capacity to absorb water in side road to store it in this way in rainy session rain water will be store in the tank which is below the Road. They have enraged students to think on that so we can solve many problems

The programme concluded with a closing speech by Dr. Vaibhava More, Co-Ordinator of this programme.
