EVENT REPORT

Name of the Event – An Online Guest Lecture on 'India's Relations with East and Central Asian Nations'

Date – 23/04/2022

Time – 6.00pm

No. of Students Participated – 29

About the Event – The webinar was delivered by Dr. Liyaqat Khan, Professor, Department of Civics and Politics, University of Mumbai on the topic of 'India's Relations with East and Central Asian Nations'. The honorable guest with his expertise on the given topic intrigued the students throughout the lecture. Some students even asked a few questions after his lecture. Asst. Prof. Rutuja Raut anchored the program and Asst. Prof. Madhura Raut introduced the guest speaker. Dr. Tanaji J. Pol, Head, Department of Politics delivered the presidential address for the webinar.

Event Objectives –

- To provide an overview of India's historical and cultural ties with East and Central Asian nations.
- To explore the strategic importance of India's relations with East and Central Asian countries in the contemporary geopolitical landscape.
- To promote critical thinking and analyse the future prospects and challenges in India's relations with East and Central Asian countries, identifying key areas for further engagement and development.
- To touch upon the cultural and people-to-people exchanges between India and East and Central Asian nations.

- To analyse the economic, cultural, diplomatic, geo-political dimensions of India's engagement with East and Central Asian nations to foster the bilateral ties.
- To examine the security challenges and opportunities in India's relations with East and Central Asian nations, including counterterrorism, maritime security, and defence cooperation.
- To assess the potential areas of cooperation and collaboration between India and East and Central Asian countries.
- To examine the role of regional forums and multilateral organizations in promoting cooperation and dialogue between India and East and Central Asian nations.
- To engage in interactive discussions to encourage a deeper understanding of India's relations with East and Central Asian nations among the students.

Learning Outcomes –

- **Holistic Understanding of the topic:** The lecture helped the students comprehend the bilateral ties between India and East and Central Asian nations in the context of historical, cultural, diplomatic, economic, geo-political, strategic factors over time.
- **Explore the major areas of cooperation between the two:** The lecture offered to the students the insights into the diplomatic initiatives by India to foster the ties with the other such as Look East Policy, Act East Policy etc. It also explored the other areas of cooperation such as trade, investment, infrastructure, energy security etc.
- **Understand the potential areas of conflicts between the two:** It revealed the challenges in India's relations with East and Central Asian nations, including geopolitical rivalries, territorial disputes, economic competition, and the role of major powers in the region.
- **Enhance critical thinking and analytical skills:** The lecture engaged the students in discussions and debates on the complexities of India's relations with East and Central Asian nations, and the implications for regional and global security.
- **Develop a comprehensive understanding of the strategic importance:** It explained the overall strategic importance of East and Central Asian nations for India's foreign policy objectives, including the diversification of markets, energy resources, and geopolitical partnerships
- **Enhance the academic knowledge and skills:** It intrigued the students to explore and read more on India's relations with East and Central Asian nations and regional cooperation in the Asia-Pacific region, in general.
