OBJECTIVES

1. One of the primary objectives of an eye check camp is to conduct vision screenings for individuals in the community.
2. The camp aims to identify eye conditions or diseases at an early stage such as common eye disorders.
3. Another objective is to raise awareness about the importance of eye health and regular eye examinations.
4. Eye check camps often serve marginalized communities or areas with limited access to eye care services.
5. Eye check camps may also collect data on the prevalence of different eye conditions within the community, contributing to research efforts and informing public health.

OUTCOMES

1. Eye-check camps provide an opportunity for early detection of vision issues among students.
2. Good vision is essential for learning, and addressing vision problems can lead to improved academic performance among students.
3. Correcting vision problems through the eye-check camp ensures that students have an optimal learning experience.
4. Eye-check camps raise awareness among students about the importance of maintaining good eye health.
5. Conducting eye-check camps in schools makes vision screening more accessible to students, particularly those from underserved communities who may not have easy access to eye care services.

Report on Eye Check-Up Camp

On 22nd August, 2019, SDSM College in Palghar organized an Eye Check-up Camp in collaboration with local healthcare providers. The camp aimed to promote eye health awareness among students and staff and provide access to comprehensive eye care services.

The Eye Check-up Camp commenced at 8:00 AM and continued throughout the day to accommodate the entire college community. The Tiwari Auditorium was transformed into a dedicated space for vision screening and consultation.

Trained optometrists conducted comprehensive vision screenings for students and staff using state-of-the-art equipment. Visual acuity tests, refractive error assessments, and examinations for common eye conditions were carried out to identify any potential vision problems.

Following the vision screenings, individuals with identified vision issues were provided with personalized consultations by ophthalmologists. Those requiring further evaluation or specialized treatment were referred to nearby eye care facilities for appropriate management.

Throughout the camp, educational materials and interactive sessions were conducted to raise awareness about the importance of eye health, preventive measures, and the significance of regular eye examinations. Students and staff were encouraged to adopt healthy eye care habits and seek timely intervention for

The Eye Check-up Camp witnessed active participation from students, faculty members, and administrative staff of SDSM College. The event attracted a significant number of attendees eager to prioritize their eye health and avail themselves of the services offered.

The Eye Check-up Camp at SDSM College, Palghar, proved to be a valuable initiative in promoting eye health awareness and providing accessible eye care services to the college community. By prioritizing eye health initiatives, the college demonstrated its commitment to the well-being of its students and staff.

The eye check-up was a very vital and unique activity held by NSS in Sonopant Dandekar College, Palghar under the guidance Asst. Prof. Vivek Kudu, Asst. Prof. Raju Tandel, Asst. Prof Bhushan Bhoir and Asst. Prof. Rohit Gaikwad.
