Activity Report

MEGA HEALTH CAMPAIGN

On March 3rd, 2019, the National Service Scheme (NSS) Unit organized a Mega Health Campaign at Kolgaon, starting from 10:00 AM onwards. The campaign aimed to promote health awareness, provide basic healthcare services, and encourage preventive measures among the residents of Kolgaon and surrounding areas. A dedicated area was set up for health screening camps where participants could undergo basic health check-ups. Participants were encouraged to seek timely medical advice and follow-up care for any health issues identified during the camp.

Practical demonstrations and hands-on sessions were conducted to teach participants about proper handwashing techniques, first aid procedures, and other essential health practices. The campaign successfully raised awareness about important health issues and promoted knowledge about preventive measures among the community members. The campaign empowered participants to take charge of their health by providing them with information, resources, and tools to make informed decisions about their well-being. The event ended on a positive note and witnessed the presence of 125 NSS volunteers and more than 200 residents.
