**International Conference on
'Recent Advances in Chemical Sciences'**

Friday, 10th March, 2023

About the conference: The International Conference on “Recent Advances in Chemical Sciences” is organized by Department of Chemistry, Sonopant Dandekar College, Palghar for exposure to recent advances in the Pure and Applied Sciences. The conference will provide common platform for faculties, research scholars and industry personnel to exchange and discuss the innovative ideas and will promote the work in interdisciplinary mode.

Theme of the Conference:

Separation Science and Technology	Material and Surface Chemistry
Organometallic Chemistry	Phytochemistry
Nano Science and Materials Chemistry	Synthetic Organic Chemistry
Advanced Polymer Chemistry	Photochemistry, Catalysis
Environmental and Green Chemistry	Bio-Chemistry
Computational Chemistry	Chemistry of Natural Products

Our Eminent Speakers:

Dr. L. Melano

Dr. R.S. Lokhande

Dr. V.R. Patil

Dr. A.C. Chaskar

Inugration of the conference: lightning the lamp at the auspicious hands of Adv. G.D. Tiwari, President, Sonopant Dandekar Shikshan Mandali, Palghar, Dr. (Mrs) C. T. Chakraborty, Principal, Thakur College, Kandivali and Prof. R.S. Lokhande, In charge, Research cell Jaipur National University, Jaipur.

Felicitation of the guests: Adv. G.D. Tiwari, President, Sonopant Dandekar Shikshan Mandali, Palghar felicitated following guests Dr. (Mrs) C. T. Chakraborty, Prof. R.S. Lokhande, Dr. V.R. Patil, Dr. Atul Chaskar. Followed by felicitation of College Principal Dr. Kiran Save sir and other authorities' of the college.

Inaugural address by Chief Guest: Chief guest Dr. (Mrs) C. T. Chakraborty gave inaugural address over the various aspect of chemistry in our daily life and how it is related with our ancient culture and modern days.

Presidential Address: Adv. G.D. Tiwari, President emphasized on the valuable insight of the conference.

Key Note Address: Dr. Lucio Melone, Associate Professor at Department of Chemistry, Materials and Chemical Engineering "G. Natta", Politecnico di Milano, Italy specially focused on nanomaterial synthesis and how their activities are useful in industry. He also explained importance of Nano fibers and supramolecules.

Plenary Sessions:

Sessions I: Dr. V.R. Patil, Professor, department of chemistry, University of Mumbai, sir highlighted the use of nanomaterial's in daily life and how we can use its application to ease our needs.

Sessions II: Atul C. Chaskar, Professor, department of chemistry, ICT, Mumbai, underlined synthesis of organic materials for optoelectronic and photovoltaic applications, development of C-H functionalization inspired new synthetic approaches and nanocatalysis.

Presentations:

Oral presentations: 07

Online presentations: 31

Online Poster presentations: 32

Valedictory and awards presentation session: For valedictory session Dr. R.S. Lokhande was the chief guest, he guided the students for further scope in chemistry and new opportunities.

Subject: Proposal for organizing One Day International Conference on 'Recent Advances in Chemical Sciences' RACS-2023

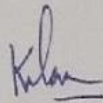

Respected Sir,

I here with wish to submit the plan for conducting One Day International Conference on 'Recent Advances in Chemical Sciences' RACS-2023 in hybrid mode. Tentative dates will be 8th or 9th or 10th March, 2023.

Therefore request you to approve the budget for above mention program and inform accordingly for further planning of the programs.

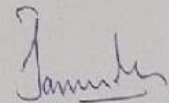

Thanking you,

Your faithfully,

GUIDELINES FOR RESEARCH PAPERS

- Abstract of the paper should be limited to maximum of 300 words.
- The paper should be in MS Word file with 1-inch margin on all four sides of A4 size. The paper has to be typed in Times New Roman, Font size 12 and 1.5-line spacing. Full-length paper should be in between 1800-2000 words.
- The cover page of the manuscript must contain the Title of the paper, Author's name/s, correspondent address, email address of the corresponding author.
- The list of references should only include the actual work cited by the authors.
- All notes must be serially ordered and given at the bottom of the pages as footnotes.
- The abstract and full-length paper should be emailed as a single attachment to rascdsm@gmail.com
- The poster size should be 1m X 1m.
- All the selected papers will be published in peer reviewed Journal "Research Journey", ISSN-2348-7143

ABOUT US

Sonopant Dandekar Shikshan Mandal's Sonopant Dandekar Arts, V.S. Aple Commerce and M.H. Mehta College was established in 1970 to cater the need of higher education in Palghar district and in vicinity with the goal "Higher Education to all". Today it has become the premier institution in the University of Mumbai as well as in newly formed Palghar district. In last few years the management has started various career oriented courses from under graduate to doctorate degree by considering the demand of situation and career opportunities available around the globe. In last few years college have achieved excellence in education & crossed some important milestones. In academic year 2017-18 the college received "Best College of University of Mumbai Award", Sonopant Dandekar Shikshan Mandal's Arts & Science College ranked within first 100 institutions of India in a survey conducted by India Today group.

ABOUT THE CONFERENCE

The International Conference on "Recent Advances in Chemical Sciences" is organized by Department of Chemistry, Sonopant Dandekar College, Palghar for exposure to recent advances in the Pure and Applied Sciences. The conference will provide common platform for faculties, research scholars and industry personnel to exchange and discuss the innovative ideas and will promote the work in interdisciplinary mode.

OBJECTIVES

- It aims to upgrade knowledge in different fields of Chemistry and their sustainability aspects.
- To understand and apply the recent advances in chemistry.

ACCOMMODATION

Accommodation will be provided in/nearby the campus. Participants who need accommodation may send an e-mail for the same.

HOW TO REACH PALGHAR

By Flight : Palghar does not have an airport. Nearest airport is Chhatrapati Shivaji Airport (60km) Mumbai. (104 km. away)
By Train : Palghar is a major station on Western Line. There are frequent trains from Mumbai as well as from Gujarat side.
By Bus : Palghar is a major Bus station for state transport Buses & is well connected with major cities in India.

THEME OF THE CONFERENCE "RECENT ADVANCES IN CHEMICAL SCIENCES"

SUBTHEMES

Separation Science and Technology	Material and Surface Chemistry
Organometallic Chemistry	Photochemistry
Nano Science and Materials Chemistry	Synthetic Organic Chemistry
Advanced Polymer Chemistry	Photochemistry, Catalysis
Environmental and Green Chemistry	Bio-Chemistry
Computational Chemistry	Chemistry of Natural Products

PLAGIARISM

Paper will be only accepted for review on the condition that the manuscript has not been copyrighted, published, presented or accepted for presentation at professional meetings, and is not currently under review for presentation at other professional meetings.

GALAXY OF SPEAKERS KEYNOTE SPEAKER

DR. LUCIO MELONE

Dr. Lucio Melone is an Associate Professor at Department of Chemistry, Materials and Chemical Engineering "G. Natta", Politecnico di Milano, via Mancinelli 7, 20131, Milano, Italy and Centro di Ricerca per l'energia, l'ambiente e il territorio (CREAT), Università Tecnica eCampus, Novedrate, Italy. He graduated in Chemical Engineering at the University of Naples and Politecnico di Milano, Milan Italy. His expertise lies in the area of Nanomaterials, Nanopores, Organic Synthesis, Catalysis, Supramolecular chemistry with particular reference to the development of vectors based on inorganic/organic for in vivo imaging, functionalization of polysaccharides for biomedical and environmental applications. He has published more than 95 research papers in international journals of high repute. He is Co-inventor of 11 European Patent (granted), 3 international patent applications (PCT) and 2 Italian patent applications.

RESOURCE PERSON

DR. R.S. LOKHANDE

Head, School of Basic Science & Chemistry, Director Research Cell, Japur National University, Rajasthan. He was retired professor of University of Mumbai. He has guided 140 Ph.D. and 24 M.Sc. research students. He has published more than 400 research papers in reputed research journals and 84 research citations. His areas of research are Nuclear, Radiation & Radiochemistry, Separation Science, Coordination Chemistry, Environmental Chemistry, etc. He has been granted 11 patents and filed 3 patents.

DR. V. R. PATIL

Professor, Department of Chemistry, University of Mumbai.
 Recipient of Prof. B.C. Haldar Memorial Research Award by the Institute of Science, Prof. Arvind Kumar memorial research award by Indian Council of Chemistry, Best Researcher and Academician Award by Biomed/founder-University of Mauritius and Best Teacher award from the University of Mumbai. Fellow of Maharashtra Academy of Sciences, Expertise in Light-emitting polymers, Polymer-nanocomposites, invisible barcodes, and Recycling of Lithium-ion batteries. Registered with 33 patents

DR. ATUL CHASKAR

Professor, Department of Chemistry, ICT Mumbai, Recipient of DST-Fast Track Young Scientist Award, Fellow of Maharashtra Academy of Sciences and Fellow of National Science Council of Taiwan. Expertise in synthesis of organic materials for optoelectronic and photovoltaic applications, development of C-H functionalization inspired new synthetic approaches and nanocatalysis.
