### a) Remedial Measures for failure and upgrading pass class and second class students

**Remedial coaching:** Offered specialized coaching sessions designed for students who need additional support.

**Study groups:** Encouraged students to form study groups or engage in peer tutoring. Collaborative learning can help struggling students gain new perspectives and learn from their peers who excel in the subject.

**Effective study techniques:** Teach the students effective study techniques, such as time management, note-taking strategies, and active learning methods. These techniques can enhance their overall learning experience and make studying more efficient.

## b) Special Guidance to Challenging Students (I & Distinction)

### **Exam-Specific Preparation:**

Students were familiarized with the format, structure, and requirements of the entrance exams they were preparing for. Effective exam strategies, such as question prioritization, elimination techniques, and proper time allocation, were taught.

### **Motivational Guidance:**

Ongoing encouragement, support, and motivation were provided to boost the student's confidence and self-belief. Milestones and achievements were celebrated along the way to maintain a positive learning environment. Counseling services were offered through mentor-mentee meetings to address any emotional or psychological challenges that may have affected the student's performance.

## **SECOND TERM COMPLIANCE REPORT**

I meticulously followed the curriculum throughout the second semester to make sure all topics were addressed in detail. I used hands-on learning strategies, getting students involved in experiments and demonstrations to deepen their comprehension.

During this semester, I have been actively involved in various professional activities and initiatives.

In conclusion, this semester has been an eventful and productive one, with my involvement as a judge, convener, and researcher.

## **FIRST TERM COMPLIANCE REPORT**

Throughout the first semester, I closely studied the curriculum to make sure every topic was covered in depth. To help students understand concepts better, I engaged them in experiments and demonstrations using active learning techniques. I strongly encouraged class participation and encouraged student collaboration. I spoke on women's scholarship programmes. Overall, the semester was a success..

## **EXTRA CURRICULAR ACTIVITY REPORT**

Conducted IPR awareness Programme on 23<sup>rd</sup> February, 2018.
