NSS Program Officers

## **OBJECTIVES:**

1. Enhance access to information through ICT tools for comprehensive learning.
2. Facilitate active and personalized learning experiences tailored to individual student needs.
3. Promote collaboration and communication skills among students through online platforms.
4. Develop critical thinking and problem-solving abilities using ICT-enabled resources.
5. Foster creativity and innovation by leveraging digital tools and software for project-based learning.

## **OUTCOMES:**

1. Increased access to diverse information sources enhances students' knowledge base and research skills.
2. Enhanced engagement and participation in learning activities through interactive ICT platforms.
3. Improved collaboration and communication skills as students interact with peers and experts online.
4. Strengthened critical thinking and problem-solving skills through the application of ICT-enabled tools.
5. Enhanced creativity and innovation as students utilize digital resources to create multimedia projects and innovative solutions.

**GLIMPSES OF THE EVENT**

## **REPORT**

The NSS Unit of the college organized an Online Meet on the Importance of ICT in the Learning Process. The event, held on 10 September, 2020, aimed to enlighten students about the crucial role of Information and Communication Technology (ICT) in modern education. Mr. Ashwin Bhagat, a renowned expert in the field, was invited to deliver an insightful session on the significance of ICT integration in the learning process. During the session, Mr. Bhagat elucidated the various ways in which ICT enhances learning outcomes, such as providing access to vast information resources, facilitating active and personalized learning experiences, promoting collaboration and communication among students, developing critical thinking and problem-solving skills, and fostering creativity and innovation. He emphasized the transformative impact of ICT on education and its potential to revolutionize traditional teaching methods. The session was highly informative and engaging, with students actively participating in discussions and sharing their perspectives on the subject. Overall, the Online Meet on the Importance of ICT in the Learning Process successfully achieved its objective of raising awareness about the invaluable role of ICT in enhancing the quality of education and preparing students for the challenges of the digital age.
