**Objectives of the competition:**

1. To make students critically think about the theme, characters, ideology as presented in the movie.
2. To understand the current status of women as reflected in film as they are a mirror to society.
3. To make students develop proper style of writing necessary for review-writing.

**Learning Outcomes:**

At the end of the workshop girls should know

1. Current status of gender equality in the society
2. Reflect on their own self-realisation as a woman
3. Struggle of women towards achieving individuality
