Rights of Patentee

16 13-Mar-2021

3. Screenshot of the Session

The screenshot shows a presentation slide with a white background and a black border. The title 'Living matter and patenting' is centered at the top. Below it, the text 'Section 3: Not patentable Inventions' is displayed. A bulleted list follows, detailing three categories of non-patentable inventions. To the right of the text is the logo for 'INTELLECTUAL PROPERTY INDIA', which includes a stylized globe icon and the text 'PATENTS | DESIGNS | TRADE MARKS | GEOGRAPHICAL INDICATIONS'. On the far right, there is a vertical sidebar with a video feed at the top, three grey person icons below it, and navigation symbols (back, home, and menu) on the right side. The slide number '18' is in a small orange circle at the bottom left, and the date '13-Mar-2021' is at the bottom right.

Living matter and patenting

Section 3: Not patentable Inventions

- Section 3(h): a method of **agriculture or horticulture**
- Section 3(i): any **process for the medicinal, surgical**, curative, prophylactic [diagnostic, therapeutic], or other treatment of human beings or any process for a similar treatment of animals to render them free of disease or to increase their economic value or that of their products
- Section 3(j): **Plants and animals in whole** or any part thereof other than microorganisms but including seeds, varieties and species and essentially biological processes for production or propagation of plants and animals
