Title of the Activity/Event/Practice: Puneet Sagar Activity**Objectives of the Practice:**

- To protect the natural habitat of marine and coastal ecosystems
- To ensure public safety for visitors to enjoy recreational activities like swimming, surfing, and sunbathing.
- To preserve the aesthetics of the beach for inviting tourists and locals, which can lead to increased economic activity in the area.

- To raise awareness about environmental issues.

Context:

The 'Puneet Sagar Abhiyan' is among the few initiatives taken by the Government to realize the vision of Prime Minister Shri Narendra Modi.

Practice:

Beach cleaning is an important activity that helps to keep our oceans and beaches clean and healthy for both humans and wildlife. Keeping this in mind cadets engaged in this activity with a cause. Cadets cleaned up the seashore of Shirgaon Beach. Shirgaon Beach is a tourist point. On this occasion Sarpanch of Shirgaon Gram Panchayat Mrs. Chinmayi More was present. She appreciated cadets and arranged refreshments for them. The whole activity was planned and conducted under the guidance of ANO Maj. B. K. Sakhare and Capt. Anagha Padhye-Deshmukh.

Outcomes:

- pollution reduction: Beach cleaning helped to reduce the amount of litter and debris that was going to end up in the ocean, protecting marine life and preserving the natural beauty of the beach.
- Improved public health and safety: It made the beach cleaner and safer for local people to enjoy, reducing the risk of injury and illness from hazardous materials or pollution.

- Increased economic activity: After clean-up, the beach attracted more visitors, which would lead to increased economic activity in the area, such as tourism, recreational activities, and local businesses.
