Department of Computer Science

NOTICE

The Department of Computer Science has organized a one week Industrial Visit to BSNL labs at Mysore and Bangalore for its students. During this visit, you will have an opportunity to get a practical exposure of classroom learning and enhance your knowledge. This will enable you with the related skills and contribute to your career aspects.

The industrial visit is organized between 3rd February and 9th February, 2019. We strongly encourage you to join and take advantage of the Visit.

We look forward to see you in Industrial Visit.

(Dr. Kiran J. Save)

Principal

EVENT REPORT

Name of the Event - One Week Industrial Visit to Bangalore and BSNL labs at Mysore

Date – 03/02/2019 to 09/02/2019

No. of Students Participated – 34

About the Event –

An industrial visit was organized for the BSC-Computer Science students to enhance their practical knowledge and provide exposure to the real-world applications of their academic learnings. The visit encompassed prominent tech hubs in Bangalore and the esteemed BSNL Labs situated in Mysore.

Objectives:

- To familiarize students with the latest advancements in the field of computer science.
- To provide insights into the functioning of leading tech companies and research institutions.
- To facilitate interaction with industry experts and researchers.
- To inspire students for potential career paths and research opportunities.

Learning Outcomes:

- Students gained firsthand exposure to real-world applications of computer science concepts.
- Interaction with professionals provided the students the valuable insights into industry practices, trends, and career opportunities in the fields of software development, telecommunications, and research.
- Students were offered a chance to network with industry experts, researchers and professionals.
- The visit complemented academic learning by offering practical examples and experiences that will further deepen understanding and appreciation of theoretical concepts.

Prof. Rashmi Varade
Head, Department of Computer Science
