To,
The Principal
Sonopant Dandekar College,
Palghar.

Subject: Regarding permission for A Residential camp was organized at the Agriculture Centre, Kosbad, Taluka Dahanu.

Respected Sir,

The objective of this proposal is to seek permission to organize a residential camp at the Agriculture Centre in Kosbad, Taluka Dahanu. This camp aims to provide students with practical exposure to agricultural practices, promote awareness about sustainable farming methods, and facilitate interactions with experts in the field.

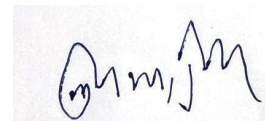

The residential camp will span over two days and will accommodate 50 students of SYBA Sonopant Dandekar College. Participants will engage in various activities including visits to nurseries, demonstrations of modern agricultural techniques, and interactions with local farmers. The camp will be supervised by experienced faculty members and staff to ensure the safety and well-being of the students.

The rural development department organized a “Residential camp was organized at Agriculture Centre, Kosbad, Taluka Dahanu.” for all students enrolled for the year 2019-20 on 3/01/2020. And 4/1/2020

Kindly permit us to conduct the program.

Thanking you,

Yours faithfully,

Dr. Kiran Patil

Report on Residential Camp at Agriculture Centre, Kosbad - Taluka Dahanu

Date: January 6, 2020

Objective:

The primary objective of the camp was to provide students with practical exposure to agricultural practices, promote awareness about sustainable farming methods, and facilitate interactions with experts in the field.

Activities:

Visits to Nurseries: Students visited nurseries to observe different plant varieties and understand nursery management techniques.

Demonstrations of Modern Agricultural Techniques: Demonstrations were conducted to showcase modern agricultural techniques such as drip irrigation, greenhouse farming, and organic farming methods.

Interactions with Local Farmers: Students had the opportunity to interact with local farmers to gain insights into traditional farming practices and challenges faced by farmers in the region.

Supervised by Faculty Members: The camp was supervised by experienced faculty members and staff to ensure the safety and well-being of the students throughout the camp.

Outcome:

The camp provided valuable hands-on experience to students, enhancing their understanding of agricultural practices and sustainable farming methods.

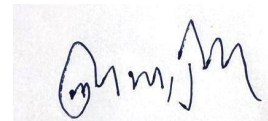

Interactions with experts and local farmers facilitated knowledge exchange and enriched students' learning experiences.

The camp contributed to promoting awareness about the importance of sustainable agriculture and its role in rural development.

Conclusion:

The Residential Camp at Agriculture Centre, Kosbad - Taluka Dahanu, was a successful initiative, achieving its objectives of providing practical exposure and promoting awareness about sustainable agriculture. The active participation of students and the guidance provided by faculty members ensured the smooth conduct of the camp.
