EVENT REPORT

Name of the Event – Guest Lecture on Entrepreneurship

Date – 15th October, 2018

Time – 10 am to 11 am

No. of Students Participated – 50

Venue – BMS Seminar Hall

About the Event –

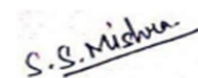

This program will help the students understand about Entrepreneurship. This will give them a clarity that they too can become an entrepreneur using their own business ideas. This event will guide them how one can start their own business.

Event Objectives –

- To help students choose the best option for their career
- To help students figure out what they want out of their education, their life, and who they are.
- To discuss their ideas, feelings, and concerns about their educational and career choices and business perspective
- To make them understand their key strengths and how to make use of those skill sets.
- To assess their abilities, values, and interests.
- To analyze what they understand about Entrepreneurship.
- To determine the next steps in a plan that they will develop to ensure them to achieve their goals

Learning Outcomes –

This session helped students understand their strengths, weaknesses, and interests, and provided them with a clearer picture of the career paths available to them. This included information on different industries, new ideas, innovation, creativity and the skills and initiative required to succeed in a given field.
