- **Link will be active from 11 a.m till 3 p.m**

REPORT

ONLINE QUIZ ON “HEPATITIS AWARENESS”

Organizer: Department of Biotechnology

Aim: To organize an online quiz on “Hepatitis Awareness” to spread accurate information to students and citizens.

Objectives:

1. To inform the students about Hepatitis, a viral infection that causes liver inflammation and damage.
2. To spread awareness among students about different forms of hepatitis viruses and how they are transmitted; inform them about prevention, early diagnosis, screening and treatment of hepatitis.
3. To increase awareness about the vaccines for Hepatitis A and B so that they will share only correct information with others.

About the Event:

The Department of Biotechnology organized an online quiz on “Hepatitis Awareness” on 28th July, 2021 to spread accurate information and awareness among the students and citizens.

Outcome:

1. Participants gained a better understanding of hepatitis A, its causes, symptoms, and prevention methods, leading to increased awareness among them.
