EVENT REPORT

Name of the event:- Online Awareness Quiz on IPR and Copyright

Date of the event:- 26/04/2020

No. of Participants:- 1330

The need to spread knowledge about intellectual property rights (IPR) and copyright has never been more crucial than it is now in the aftermath of the COVID-19 outbreak. In light of this, an organized online test was given to users on April 26, 2020, to increase their understanding of IPR and copyright.

Objective:

During the COVID-19 pandemic, the main goal of the online quiz was to increase users' understanding of IPR and copyright regulations. The exam was designed to assess students' understanding of intellectual property rights (IPR) and copyright while also educating them on how these laws might help safeguard their creative works.

Participants:

The quiz was open to all students interested in the topic. The 1330 participants including students from various educational institutions and backgrounds solved this quiz.

Outcomes:

The organized online quiz on IPR and copyright laws was successful in promoting awareness about these laws among students during the COVID-19 pandemic. The quiz provided an opportunity for students to test their knowledge and gain insights into how these laws can help protect their creative works. The event highlighted the importance of IPR and copyright laws in promoting creativity and innovation and underscored the need for continued efforts to raise awareness about these laws.

R. H. Save Library successfully hosted an online awareness quiz on IPR and Copyright. The quiz aimed to educate participants on IPR and Copyright. The

event received positive feedback, with participants commending the initiative and expressing satisfaction with the format and content. Moving forward, R. H. Save Library remains committed to organizing similar informative events to encourage our students to remain aware and informed.
