Arts, Commerce and Science Faculty on the college ranked amongst first 150 institutions of India in the nationwide survey conducted by "INDIA TODAY GROUP" & OUTLOOK MAGAZINE.

Objective:

- **Assess Present Status:** The conference aims to assess the current state of the environment and biodiversity in the country. It seeks to provide a comprehensive overview of the existing challenges and threats faced by these ecosystems.
- **Identify Future Challenges:** The conference seeks to identify and analyze the potential future challenges and trends that may impact environmental conservation and biodiversity. It aims to explore emerging issues and discuss their implications for policy-making and conservation strategies.
- **Promote Knowledge Sharing:** The conference aims to facilitate the exchange of knowledge, research findings, and best practices among scientists, researchers, policymakers, and stakeholders in the field of environmental conservation and biodiversity.

Learning Outcomes:

- **Increased Awareness:** Participants will gain a deeper understanding of the present status of the environment and biodiversity, including the current challenges and threats they face. They will become more aware of the importance of environmental conservation and biodiversity preservation.
- **Updated Knowledge:** Attendees will acquire updated knowledge about the latest research, findings, and best practices related to environmental conservation and biodiversity management. They will learn about innovative approaches and technologies used in the field.
- **Enhanced Networking:** The conference will provide an opportunity for participants to network and connect with experts, professionals, and researchers working in the field of environmental conservation and biodiversity. They will be able to establish valuable contacts and collaborations for future endeavors.

Sir,

As per telephonic conversation with you regarding your talk as a Chief Guest in the Inaugural Session of National Conference, I would like to extend my invitation for the same on 15th January 2021.

I would like to give the brief introduction of the institution. The founder visionaries established the institution on 14th August 1968 with a dream of providing higher education to downtrodden, especially for Adivasi and Woman folk in the vicinity of the Thane district. (Now Palghar District). The dream came true in June 1970 in the form of 'Sonopant Dandekar Arts, V. S. Apte Commerce College in the name of philosopher saint and son of the soil Late Sonopant Dandekar.

The Institution started with only 150 students, now about 12,000 students are studying in this college. Among them, the strength of girl students is remarkably high.

This year Department of Botany is organizing National Conference on "Environment and Biodiversity: Present Status and Future Challenges" on 15th January 2021.

We are impressed by your academic accomplishment and achievements in the field of Bioscience. We cordially invite you to this academic pursuit. Our faculty as well as delegates will be happy to hear you.

We are looking forward your concern which will enable us to the prior travel reservations and allied things. Bhagwan Jaiswal, Head Department of Botany will talk to you regarding the details.
