Residential Ashram School painted by NSS volunteers

Date: 29th December 2022

Objectives of the Activity:

1. To encourage volunteerism among NSS members by providing them with

opportunities to contribute to meaningful projects that benefit the

community.

2. To improve the physical appearance of the school buildings by painting

them, enhancing their durability, and preserving the infrastructure.

Outcomes of the Activity:

1. It developed a greater sense of responsibility, leadership, and teamwork

skills, among the NSS volunteers.

2. It created a colorful and vibrant environment that can contribute to

students' emotional well-being, reducing stress and promoting a positive

mindset.

Brief Report:

NSS volunteers painted a residential ashram school. They did this to encourage

more NSS members to volunteer and to make the school look better. By

working on this project, NSS students learned how to be responsible, lead

others, and work together as a team, which made their volunteering experience

better. Also, the newly painted school made the place look cheerful and nice,

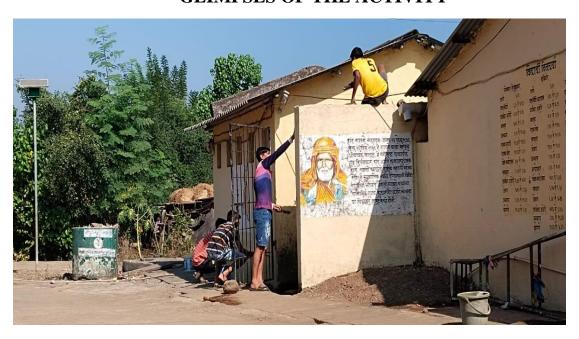

which helped students feel happier and more positive.

Dr. Rohit Gaikwad,

NSS Program Officer,

Sonopant Dandekar College
