NCC Activities 2020-21

Report on International Day against Drug Abuse and Illicit Trafficking

1. Title of the Activity/Event/Practice

International Day against Drug Abuse and Illicit Trafficking

2. Objectives of the Practice

- To increase public awareness of the risks associated with drug usage and illicit drug trafficking.
- To provide an opportunity to advocate for drug policy reform that prioritizes public health and human rights.
- To promote evidence-based drug policies that prioritize prevention, treatment, and harm reduction over punitive measures.

3. The Context

It is a day established by the United Nations General Assembly in 1987 to raise awareness about the dangers of drug abuse and the illegal trade in drugs.

4. The Practice

An online session was arranged to make cadets aware of the drugs and illicit trafficking. Cadets made posters on the given topic. Through such an activity cadets tried to make people aware of the same and inform people about the negative impacts. Celebrating the Day against Drug Abuse and Illicit Trafficking during the COVID-19 pandemic has emphasized the need for a comprehensive, evidence-based approach to addressing drug-related issues that take into account the unique challenges and circumstances of the pandemic.

5. Outcome

- To promote the importance of drug prevention, treatment, and care.
- To increase awareness about the global drug problem and to encourage action to address it.
- To promote effective drug policies and programs.
- To promote awareness through campaigns, educational programs, and community events.
