

Title of the Activity/Event/Practice: Say No To Plastic

Objectives:

1. To replace plastic bags with cloth bags when shopping.
2. To avoid using plastic straws and choose alternatives like paper or metal straws.
3. To carry a reusable water bottle instead of buying single-use plastic water bottles.
4. To avoid using plastic packaging wherever possible and choose products with eco-friendly packaging.
5. To say no to plastic cutlery and use reusable utensils.

Context:

The call to "Say No To Plastic" has arisen in response to the growing concern over the environmental impact of plastic waste. Plastic is a non-biodegradable material that takes hundreds of years to decompose, and its disposal leads to pollution and poses a significant threat to wildlife.

Practice:

Sonopant Dandekar college NCC cadets carried out the activity of Say No to Plastic on a digital platform by making posters and other digital activities from their home in a safe environment. Cadets prepared videos spreading messages about plastic awareness. The activity was carried out as per the instructions and norms by 8 Mah Bn in online mode.

Outcomes:

1. The outcome of saying no to plastic can have a positive impact on the environment, human health, and the economy.
2. It spreads awareness about protecting the environment, improving human health, and promoting sustainable economic development.

3. It proved an essential step towards a more sustainable future and a better world for all.
