### **About the Event-**

Student Adoption Scheme - During this corona pandemic, many parents lost their jobs and businesses. Therefore, it has become difficult for such parents to pay the students' tuition fees. Sonopant Dandekar Shikshan Mandali had appealed to the philanthropists to take the educational guardianship of such students. To ensure they remain in the mainstream of education and are not deprived of educational opportunities; the financial burden on their parents could be shared to some extent. Extending their support, many philanthropists agreed to pay the student's tuition fees with a saying that charity begins from home, we had Sonopant Dandekar Shikshan Mandali's member Shri Janardan Purroshattam Dandekar (Bhau Dandekar) donating Rs. 1.5 Lakh towards this scheme. Adv. G.D. Tiwari and all office bearers congratulated the donors for providing financial assistance for the student adoption Scheme.
