Sub: Participation in AIDS Awareness Rally.

Sir,

We would like to express our deepest gratitude and appreciation for your cadets (Girls & Boys) support of and participation in AIDS awareness rally arranged by Rural Hospital on 1/12/2018 in Palghar. Your cooperation has significantly impacted the rural population's awareness of the fatal disease.

Your dedication, zeal, and commitment to the cause were genuinely inspiring. We were amazed by the way you communicated with the locals, educating them on busting myths and misconceptions regarding HIV/AIDS. Your work has made it possible for us to engage a larger audience and effectively combat HIV/AIDS.

The NCC Cadets' assistance and cooperation were really helpful to us, and we appreciate all you did to make the event a success. We are certain that many individuals have been motivated to take the essential precautions to stop the spread of HIV/AIDS as a result of your involvement, and we hope that you will continue to support our initiatives to improve public health and wellbeing.

Once more, please accept our sincere gratitude and appreciation for all that you and your team have done to support our AIDS awareness rally. In the future, we intend to keep working with the NCC Cadets to create a better and healthier neighbourhood.

## **“World AIDS Day”**

### **OBJECTIVES**

1. One of the primary objectives is to increase public understanding of HIV/AIDS, including its transmission, prevention, treatment, and impact on individuals and communities.
2. AIDS awareness day aims to challenge the stigma and discrimination associated with HIV/AIDS, which can hinder prevention efforts, discourage testing, and impede access to care and support services for affected individuals.
3. The day seeks to promote HIV prevention strategies, including safe sex practices, access to condoms, needle exchange programs for people who inject drugs, and the promotion of pre-exposure prophylaxis (PrEP) and post-exposure prophylaxis (PEP).
4. Another objective is to encourage HIV testing and counselling services, aiming to increase the number of people who know their HIV status. Early diagnosis allows for timely access to treatment, improves health outcomes, and reduces the risk of transmission to others.
5. AIDS Day provides an opportunity to show support for people living with HIV/AIDS and to advocate for their rights, dignity, and access to quality healthcare, treatment, and social support services.

### **OUTCOMES**

1. The primary outcome of an awareness rally on World AIDS Day is to increase public awareness about HIV/AIDS, its transmission, prevention methods, treatment options, and the importance of getting tested.

2. The rally can encourage people to get tested for HIV by providing information about testing centres, procedures, and the importance of early detection.
3. The rally can serve as a platform for advocating for universal access to HIV/AIDS treatment, including antiretroviral therapy (ART), and addressing barriers to healthcare services for marginalized communities.
4. By involving community members, including people living with HIV/AIDS, in the planning and participation of the rally, it can empower communities to take ownership of HIV/AIDS prevention and care initiatives.
5. The rally can mobilize resources and support from government agencies, non-profit organizations, healthcare providers, and the private sector to strengthen HIV/AIDS prevention, treatment, and support services.

## **Report on AIDS Awareness Rally**

On the day of WORLD AIDS DAY, Honorable District Collector Dr. Kailash Shinde, Asst. Prof. Rohit Gaikwad, the NSS coordinator, and other medical professionals and 120 volunteers from the first-year NSS participated in the rally to raise awareness.

World AIDS Day is observed globally on 1st December each year to raise awareness about HIV/AIDS, commemorate those who have lost their lives to the disease, and show support for people living with HIV/AIDS. In commemoration of this important day, an Awareness Rally was organized for NSS (National Service Scheme) volunteers from Government Hospital Palghar to Hutatma Chowk Palghar. The rally aimed to educate and engage volunteers in spreading awareness about HIV/AIDS prevention, treatment, and support services.

NSS volunteers gathered at Government Hospital Palghar, where they were briefed about the significance of World AIDS Day and the objectives of the Awareness Rally. The rally commenced from Government Hospital Palghar, with NSS volunteers carrying banners. Along the rally route, volunteers engaged to raise awareness about HIV/AIDS and dispel myths and misconceptions surrounding the disease. The rally culminated at Hutatma Chowk Palghar, where a brief ceremony was held to mark the conclusion of the event. NSS volunteers actively engaged with the community, raising awareness about HIV/AIDS and promoting understanding of prevention measures and treatment options. NSS volunteers gained valuable experience in community engagement, advocacy, and public health promotion, empowering them to become advocates for positive change in their communities.

The event facilitated collaboration between NSS, government health authorities, and local community organizations, strengthening partnerships for future HIV/AIDS awareness and advocacy efforts.

The Awareness Rally organized on World AIDS Day provided NSS volunteers with a platform to actively contribute to the global effort to combat HIV/AIDS. By raising awareness, dispelling stigma, and promoting support for those affected by the disease, the rally demonstrated the collective commitment of NSS volunteers towards building a healthier and more inclusive society.
