Undertaking

This is to bring to your kind attention that following data provided post DVV have been appealed considering the genuineness of the data provided along with supporting documents for reconsideration. Criteria 2.1 percentage of students filled against reserved is far exceeding 80 percent. The same has been authenticated by University of Mumbai affiliating body so kindly it should be admissible. Criteria 6.5.2 The institute has well supported documents under 4 heads however it turns out to be none of above. 6.22 Percentage of teachers financially supported, support below 2000 is denied as we adopt NEP 2020 we have moved towards open education also grants under PM USHA and RUSA for trainings have been received so just because outpay is not visible it cannot be denied. Hope the team evaluates the data as in education ecosystem.

Subject: **Attested Reserved Category List of Students from period 2018-19 to 2022-23 for NAAC appeal.**

Respected Sir,

Greetings.

In pursuant to NAAC SSR filed by the institute under its 3rd cycle, requires a clarification and confirmation from your department with regards to below criteria as per the query raised by NAAC DVV partner:

1. No of seats earmarked for reserved categories and number of students admitted against it. (First year students only)

Further, as per the format the NAAC classifies and recognizes the categorization of students into SC, ST, OBC, General and Others category. The other categories include reserved categories of SBC, NT, DT and VJNT. For the ease of mapping the same we have categorized the list accordingly and following data is tabulated:

Academic Year	Total Number of Seats for Reserved Categories as per admission circular across all **UG** Programs (SC+ ST+ OBC+ Others) (1)	Total number of students **admitted** against reserve categories across all **UG** Programs (SC+ ST+ OBC+ Others) (2)	Total Number of Seats for Reserved Categories as per admission circular across all **PG** Programs (SC+ ST+ OBC+ Others) (3)	Total number of students **admitted** against reserve categories across all **PG** Programs (SC+ ST+ OBC+ Others) (4)	Total Average Enrolment Percentage = (2+4) ÷ (1+3) ×100 (5)
2018-19	721	820	115	143	100.00 %
2019-20	747	730	239	235	97.87 %
2020-21	774	896	239	263	100.00 %
2021-22	774	873	239	285	100.00 %
2022-23	774	899	301	349	100.00 %

Attached: Program wise and Year wise List of students along with caste and PRN No. and other supporting documents.

Request you to do the needful.
