## **Report on Blood donation**

### **1. Title of the Activity/Event/Practice**

Blood donation

### **2. Objectives of the Practice**

- To save the lives of individuals who require blood transfusions due to various medical conditions such as cancer, blood disorders, accidents, and surgeries.
- To meet the demand for blood, which is always high in hospitals and blood banks.

### **3. The Context**

An initiative by Rural Hospital

### **4. Practice**

Blood donation is a crucial part of the healthcare system that significantly depends on willing donations from healthy people. Red blood cells, plasma, and platelets—all of which can be utilized to treat various medical conditions—are routinely processed and isolated from donated blood during processing.

Cadets go through a screening process and satisfy certain eligibility standards, such as being in excellent health, being of a certain age, not having a particular medical condition, the proper amount of haemoglobin. Cadets who met the criterion donated their blood to a noble cause. On the occasion Medical staff and medical officers of RH were present.

### **5. Outcomes**

- Saving lives by donating blood is used to treat a variety of medical conditions and injuries, including anaemia, cancer, surgery, and trauma.
- Increased blood supply by donating blood.
- Community building by bringing people together around a common cause, fostering a sense of community and collective action.

## **Blood Donation Camp**

### **Objectives of the practice**

- Ensure safety and quality of blood.
- Motivate and maintain a permanent well-indexed record of voluntary blood donors.
- Educating the community on the beneficial aspects of blood donation and harmful effect of collecting blood from paid donors.

### **The Context**

The Blood Donation Camp for Welfare of the society and motivating the students to become a responsible citizen and blood donor as well as spreading the message of peace and harmony through humanitarian approaches. Blood donation is one of the most significant contribution that a person can make towards the society. It is not harmful for an adult person to donate blood. The body of the donor can regenerate the blood within few days. It poses no threat to the metabolism of the body.

### **Practice**

On 26th November a total of 10 SD Cadets of SD College Palghar went to Sathaye College, Vile Parle for Blood Donation Camp and enthusiastically donated the blood and the event was conducted successfully. The blood was donated by CQMS Ritesh Singh, Cadet Shekhar Singh and Cadet Virendra Thakur.

### **Outcome**

The NCC cadets successfully completed the drive and voluntarily donated blood with the assistance of Rural Hospital, Palghar. The Blood Collected was stored by the Maharashtra Blood bank.

## **Blood Donation Camp**

### **Objectives of the practice**

- Motivate and maintain a permanent well-indexed record of voluntary blood donors.
- Educating the community on the beneficial aspects of blood donation and harmful effect of collecting blood from paid donors.
- Actively encourage voluntary blood donation and gradually eliminate professional blood donors.

### **The Context**

To wipe off the scarcity of blood and ensure availability of safe and quality blood and other blood components, round the clock and throughout the year. This will lead to alleviation of human sufferings, even to the far-flung remote areas in the country. Assist the various Organizations, Clubs, Colleges, Public & Private Institutions and the Public to conduct voluntary blood donation drives and arrange for motivational talks to enable progressively increase the number of voluntary non-remunerated blood donors every year.

### **The Practice**

S.D.S.M college extension services – NCC Successfully conducted the Blood Donation Camp. The NCC cadets successfully completed the drive and voluntarily donated blood with the assistance of Rural Hospital, Palghar. The Blood Collected was stored by the Maharashtra Blood bank.

### **Outcome:**

Around 25 cadets donated blood which is not only helpful for their body but also for the needy patients. Blood donation is a selfless act which was bravely performed by our NCC cadets. Successfully raised awareness in the society about the importance and health benefits of donating blood.
