SUMMARY REPORT

Objectives

- 1) To raise awareness about the importance of water and the need to conserve it.
- 2) To encourage sustainable water use.
- 3) To promote water-saving technologies such as rainwater harvesting, and drip irrigation.

The Context

22nd March World Water Day is celebrated as per the guidelines received from the battalion.

The Practice

World Water Day is celebrated on March 22 every year to raise awareness about the importance of freshwater and the need for sustainable management of this vital resource. One of the most pressing issues facing the world today is the shortage of clean and accessible water, which affects millions of people globally.

Such a campaign is essential for ensuring that we have enough water literacy about clean water for our daily needs and for preserving our ecosystems.

Cadets made posters and went to nearby areas, talked to people, and made them aware of the consumption of water, conservation of water, and practices they adopted for the use of water.

SUMMARY REPORT

The Mahatma Gandhi Birth Anniversary Cleanliness Drive, organized on October 11, 2018, aimed to pay tribute to the Father of the Nation, Mahatma Gandhi, by promoting cleanliness and community service. The event sought to instill Gandhi's principles of Swachhata (cleanliness) and Seva (service) among students and staff.

On the occasion of Mahatma Gandhi's birth anniversary, students were divided into groups, each led by a Teaching Faculty member and assisted by non-teaching staff. The groups were tasked with cleaning designated areas in Palghar to contribute to the cleanliness and beautification of the community.

Students and staff were divided into groups, with each group assigned a specific area in Palghar for cleaning. This ensured effective coverage of various neighborhoods and public spaces.

The garbage collected during the cleanliness drive was promptly picked up by the Waste Collection unit of the Nagar Parishad, ensuring proper disposal and management of the waste.

राष्ट्रपिता-महात्मा गांधींच्या १५० व्या जयंतीचे औचित्य साधून गुलवारी पालघर येथील सोनोपंत-दांडेकर महाविद्यालयाने शहरात स्वच्छता दिव सेवा हे महाअभियान राबवले. विद्यार्थ्यांनी स्वच्छतेचा संदेश देणारी पथनाट्ये सादर केली. या उपक्रमात महाविद्यालयाचे सुमारे १२०० विद्यार्थी, ३०० शिक्षक, शिक्षकेतर कर्मचारी तसेच लायन्स क्लब, मेडिकल प्रॅक्टिशनर्स असोसिएशन, पालघर नगर पालिका तसेच अन्य संस्थांचे स्वयंसेवक सहभागी झाले. आपले शहर ही आपलीच जबाबदारी आहे व ते स्वच्छ सुंदर ठेवणे आपले कर्तव्य आहे. आजचे अभियान ही त्याची नांदी आहे, अशी भावना विद्यार्थ्यांनी व्यक्त केली. पालघर शहर स्वच्छ आणि सुंदर करण्यासाठी आमचे विद्यार्थी लवकरच प्रभावी जनजागृती मोहीम राबवतील, अशी प्रतिक्रिया सोनोपंत दांडेकर मंडळी संस्थेचे अध्यक्ष अॅड. जी.डी.तिवारी यांनी व्यक्त केली.

REPORT

The NSS (National Service Scheme) Unit organized a successful "Cleanliness Drive in Chikuwadi" on January 15, 2019. This initiative aimed to promote cleanliness, and community engagement in Chikuwadi, a locality near the college campus. All NSS volunteers actively participated in this drive, demonstrating their commitment to social responsibility and community service.

Prior to the drive, the NSS Unit conducted thorough planning and coordination to ensure the smooth execution of the event. Emphasizing the importance of waste segregation, volunteers sorted collected waste into biodegradable and non-biodegradable categories. Proper disposal methods were followed to ensure environmental sustainability.

The efforts of NSS volunteers resulted in a noticeable improvement in cleanliness levels within Chikuwadi. Streets and public spaces were visibly cleaner and more hygienic post-event.

The event not only contributed to improving cleanliness levels in the locality but also fostered a sense of community participation and civic responsibility among the volunteers.

Place of visit: Shirgaon beach walk

Date of visit: 26 July 2019

Objectives of the visit :

Educational Tours for students provide them with an opportunity to collaborate with teachers and integrate new perspectives with informal environments to enhance learning initiatives. Among the many educational tour benefits, skill development is the most important. To meet several educational tour objectives, students need to apply skills, values and general knowledge in new settings.

- Effective Learning
- Personal Development
- Enhances Perspective
- Effective Communication
- Deepen Social Knowledge

What students learn during the visit :

Students are energized by the excitement and anticipation of leaving the college environment.

The transportation to and from the site is often a pleasant open-social time.

Students have the opportunity to see new things and learn about them in a more unstructured way.

Students have the opportunity to determine what they learn and how they learn it. Said differently, student learning can be interest-driven, not teacher and curriculum-driven

Students will experience a more holistic, integrated picture of the information that, in the classroom, may have only been presented in a textual and abstract way.

REPORT

The NSS (National Service Scheme) Unit organized a successful "Cleanliness Drive in Chikuwadi" on January 15, 2019. This initiative aimed to promote cleanliness, and community engagement in Chikuwadi, a locality near the college campus. All NSS volunteers actively participated in this drive, demonstrating their commitment to social responsibility and community service.

Before the drive, the NSS Unit conducted thorough planning and coordination to ensure the smooth execution of the event. Emphasizing the importance of waste segregation, volunteers sorted collected waste into biodegradable and non-biodegradable categories. Proper disposal methods were followed to ensure environmental sustainability.

The efforts of NSS volunteers resulted in a noticeable improvement in cleanliness levels within Chikuwadi. Streets and public spaces were visibly cleaner and more hygienic post-event.

The event not only contributed to improving cleanliness levels in the locality but also fostered a sense of community participation and civic responsibility among the volunteers.

REPORT

Cleanliness Drive College Chikuwadi:

From March 3rd to 5th, 2022, approximately 200 dedicated students from the National Service Scheme (NSS) enthusiastically participated in a commendable cleanliness drive organized within the premises of Chikuwadi, located on our campus. Divided into teams, each assigned specific roles and responsibilities, these students diligently worked towards the common goal of enhancing the cleanliness and aesthetics of our college grounds. Armed with cleaning equipment and a shared commitment to community service, they tackled various areas within the campus, ensuring that every nook and cranny received attention. The collaborative effort and camaraderie displayed by the participating students not only resulted in a visibly cleaner environment but also fostered a sense of unity and responsibility among them. Moreover, the event served as a source of inspiration for the younger members of the college community, instilling in them the values of teamwork, civic duty, and environmental stewardship. Overall, the cleanliness drive at College Chikuwadi stands as a shining example of student-led initiatives driving positive change within our campus community.

REPORT

The Mahatma Gandhi Birth Anniversary Cleanliness Drive, organised on October 11, 2018, aimed to pay tribute to the Father of the Nation, Mahatma Gandhi, by promoting cleanliness and community service. The event sought to instil Gandhi's principles of Swachhata (cleanliness) and Seva (service) among students and staff. On the occasion of Mahatma Gandhi's birth anniversary, students were divided into groups, each led by a Teaching Faculty member and assisted by non-teaching staff. The groups were tasked with cleaning designated areas in Palghar to contribute to the cleanliness and beautification of the community.

Students and staff were divided into groups, each assigned a specific area in Palghar for cleaning. This ensured effective coverage of various neighbourhoods and public spaces.

Each group was provided with essential resources including a First Aid Kit, water bottles, and necessary tools and equipment for cleaning such as gloves, brooms, and garbage bags.

The groups began cleaning, and diligently removing litter, debris, and other waste materials from streets, parks, and public areas. They worked together to ensure thorough cleaning and tidying of their assigned areas.

The garbage collected during the cleanliness drive was promptly picked up by the Waste Collection unit of the Nagar Parishad, ensuring proper disposal and management of the waste.

Safety protocols were observed throughout the event to ensure the well-being of participants. First Aid Kits were made available for minor injuries or medical emergencies.

The Mahatma Gandhi Birth Anniversary Cleanliness Drive on October 11, 2018, was a resounding success, thanks to the active participation and commitment of students, teaching faculty, and non-teaching staff. The event exemplified the spirit of Swachhata and Seva, inspiring positive change and fostering a culture of cleanliness and community service in Palghar.

REPORT

College Cleanliness Campaign

On the occasion of Azadi Ka Amrit Mahotsav, a cleanliness campaign was organized in the college on August 13, 2022, in which the majority of the faculties and NSS students participated. All faculties of each Department were assigned a location on the college campus along with a group of students and a non-teaching staff for assisting them. The volunteers cleaned the classrooms, cleaned the campus and removed the weeds off the ground. All staff and student members of the college devoted themselves for the cause.

To,

Subject - Seeking permission to conduct a cleanliness drive.

Respected Sir,

Mangroves are an important aspect of marine and mangrove ecosystems. They are an important habitat of most of the invertebrates and hence they add value to the diversity index. Since the last few years, these mangrove forests have been under the threat of pollution and eradication due to the anthropogenic activity of people. We want to make our students aware of the situation and the importance of conservation.

In this context, we would like to organise the 'Mangrove Clean Up Drive' on the occasion of 'International Mangrove Day' on 26th July 2018. I would request you to grant permission for the same.

Thank You.

Yours faithfully

Report on Mangrove Cleanliness Campaign 2019-20

On 02 February, 2020 NSS volunteers, under the mentorship of Prof. Bhushan Bhoir, organized a Mangrove Cleanliness Campaign at Shirgaon Beach. The campaign aimed to raise awareness about the importance of mangrove ecosystems and to engage the community in efforts to conserve these vital coastal habitats.

The campaign commenced at 9:00 AM with an inaugural ceremony, during which Prof. Bhushan Bhoir delivered an opening address. He emphasized the ecological significance of mangroves in coastal ecosystems and the urgent need for conservation efforts to safeguard these fragile habitats. NSS volunteers, along with local residents, students, and volunteers from other organizations, actively participated in the campaign. A total of 150 volunteers enthusiastically joined hands to contribute to the cleanliness drive.

Volunteers were divided into teams and assigned specific areas along the mangrove coastline for cleanup activities. Equipped with gloves, garbage bags, and other necessary equipment, volunteers diligently collected litter and debris, including plastic waste, bottles, and discarded fishing gear. In addition to cleanup activities, educational sessions were conducted to raise awareness about the importance of mangrove ecosystems and the detrimental effects of pollution on coastal environments. Volunteers learned about the ecological functions of mangroves, their role in shoreline protection, and the impact of human activities on mangrove health.

Prof. Bhushan Bhoir and other faculty members provided guidance and supervision throughout the campaign, ensuring the smooth coordination of activities and the safety of all participants. Their expertise and leadership were instrumental in the successful execution of the event. The Mangrove Cleanliness Campaign organized at Shirgaon Beach on February 2, 2020, was a resounding success, thanks to the

dedicated efforts of NSS volunteers and the guidance of Prof. Bhushan Bhoir. The campaign not only contributed to the cleanliness of mangrove ecosystems but also raised awareness, empowered communities, and strengthened partnerships for coastal conservation. Moving forward, it is imperative to build upon the momentum generated by this initiative and continue working towards the long-term preservation of mangrove habitats and coastal biodiversity.

REPORT

The Mahatma Gandhi Birth Anniversary Cleanliness Drive, organized on October 11, 2018, aimed to pay tribute to the Father of the Nation, Mahatma Gandhi, by promoting cleanliness and community service. The event sought to instil Gandhi's principles of Swachhata (cleanliness) and Seva (service) among students and staff.

On the occasion of Mahatma Gandhi's birth anniversary, students were divided into groups, each led by a Teaching Faculty member and assisted by non-teaching staff. The groups were tasked with cleaning designated areas in Palghar to contribute to the cleanliness and beautification of the community.

Students and staff were divided into groups, each assigned a specific area in Palghar for cleaning. This ensured effective coverage of various neighbourhoods and public spaces.

Each group was provided with essential resources including a First Aid Kit, water bottles, and necessary tools and equipment for cleaning such as gloves, brooms, and garbage bags.

The groups began cleaning, and diligently removing litter, debris, and other waste materials from streets, parks, and public areas. They worked together to ensure thorough cleaning and tidying up of their assigned areas.

The garbage collected during the cleanliness drive was promptly picked up by the Waste Collection unit of the Nagar Parishad, ensuring proper disposal and management of the waste.

Safety protocols were observed throughout the event to ensure the well-being of participants. First Aid Kits were made available for minor injuries or medical emergencies.

The Mahatma Gandhi Birth Anniversary Cleanliness Drive on October 11, 2018, was a resounding success, thanks to the active participation and commitment of students, teaching faculty, and non-teaching staff. The event exemplified the spirit of Swachhata and Seva, inspiring positive change and fostering a culture of cleanliness and community service in Palghar.

Report on Cleanliness Drive 2019-20

On 05th January, 2020, a Cleanliness Drive program was organized at Kaldurg Fort, Waghoba, by NSS (National Service Scheme) volunteers. The initiative aimed to promote environmental conservation, preserve the historical significance of the fort, and foster community engagement in maintaining cleanliness at the site.

The program commenced at 7:00 AM with an assembly of NSS volunteers and local residents at Kaldurg Fort. A brief overview of the objectives and activities planned for the day was provided by the organizing committee.

Cleaning supplies such as gloves, trash bags, brooms, and dustpans were distributed among the volunteers to facilitate the cleaning process.

NSS volunteers, divided into teams, actively engaged in cleaning various areas of Kaldurg Fort, including pathways, courtyards, and heritage structures. They collected litter, debris, and other waste materials, ensuring thorough cleanliness.

Emphasis was placed on waste segregation to ensure proper disposal. Volunteers segregated recyclable and non-recyclable waste, and arrangements were made for the proper disposal of collected waste following environmental guidelines.

After the cleaning activities, a brief refreshment session was organized to acknowledge the efforts of volunteers and celebrate the successful completion of the Cleanliness Drive program. The fort premises were cleaned and beautified, contributing to improved environmental hygiene and aesthetics. By removing litter and debris, the initiative helped preserve the historical and cultural significance of Kaldurg Fort, ensuring its longevity for future generations to appreciate.

Volunteers raised awareness about the importance of environmental conservation, waste management, and heritage preservation, educating visitors and locals about their role in preserving public spaces.

NSS volunteers gained valuable experience in community service, leadership, and teamwork, empowering them to become agents of positive change in society.

The Cleanliness Drive program at Kaldurg Fort exemplified the spirit of volunteerism, environmental stewardship, and community engagement. Through collective efforts and dedication, NSS volunteers demonstrated their commitment to creating a cleaner, healthier, and more sustainable environment for all.

230 volunteers came together for this beautiful event. Early morning 7:00 am sharp this drive started and ended up by 12:30 pm.
